Carolyn Anderson

Her art was found in baking a pie. Now who should be the lucky guy?

Richard Anderson

Andy's the guy clean-cut and tall, regarded by the girls as simply a "Doll".

Arthur Bannerman

I should like to be tall and strong, for I have been little so very long.

Richard Bannerman

Little people often reach high places.

Walter Beedy

Sometimes quiet,
sometimes shy, but the
rest of the time...Oh My!

Darold Brinley

I came;
I bluffed;
I graduated.

Darrel Grande

He likes to speed and screech the brakes; as for having fun, he takes the cake.

Richard Hall

Dick is jovial, mischievous, and gay. Would we like him better any other way?

Gary Heisler

Education was supposed to be his aim, but we find trouble to be Gary's game.

LeRoy Johnson

He's happy-go-lucky with
seldom a worry, and when
coming to school he'd never
hurry.

Mary Kondos

Never quiet, never still;
always talking, always will.

Barbara Leach

This gal has done what very
few will; she seldom is
quiet, and never sits still.

James Meland

There are twenty-two cards
in our class, and he's the
joker.

Larry Peterson

He put his worries in a
pocket with a hole in it.

Allen Sather

A guy with many charms,
there's always a girl
within his arms.

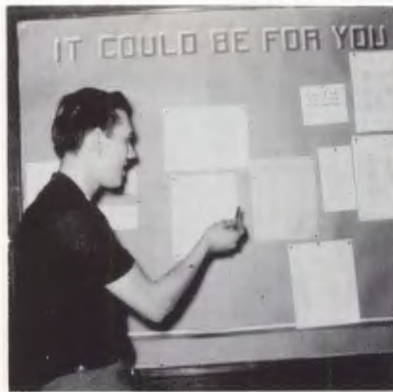

Harlan Sauter

Optimistic, jolly and a swell kid as well. What he'll do next, one never can tell.

Gordon Swanson

Some people worry, some people fret, but as for me I just forget.

James Tabatt

The hardest job of all is trying to look busy when you're not.

Dennis Thoen

Exercise?

Why, I peeled an orange
this morning.

Patrice Tufton

I am a man hater,
but the Bible says
love your enemies.

Virginia Zaske

They say love makes
the world go around. Catch me!
I'm getting dizzy.

Wayne Zimmerman

Work, what's work? Where
have I heard that word
before?

The junior class has thirty members. They lost Diane Erickson, who moved to Sioux Falls, but gained a new member, Rick McLaughlin, who hails from Kenosha, Wisconsin.

Two social events sponsored by the class were a sock hop after the Hawley game and the prom and banquet in the spring. The prom was held in the gymnasium and the banquet in Dahl Hall.

The juniors have tried various ways of raising money. They sold sweat-shirts, sold refreshments at games, and sponsored the magazine drive. They also introduced class dues as a means of building up a reserve in their treasury. Some of this money was used to pay for the prom.

After a summer of fun the tenth graders returned to M.S. ready to act like sophomores. Among the projects undertaken in English was the study of Shakespeare's Julius Caesar. For biology Miss Johnston assigned each pupil a science project of his choice for the year. Social Studies found the sophomores hard at work on American History. In the afternoon in the first hour one section went to Latin II, taught by Miss Petrie, one to French I, taught by Mr. Temple, and one to Art I, with Mr. Dingman teaching. The second hour found one section in geometry with Miss Jacobson and the other section in typing with Mrs. Larson. The last period on Mondays and Wednesdays Physical Education was taught by Miss Jacobson and Mr. Bladow.

Six new students joined the ninth grade this year, making a total of thirty-one. Kathleen Stege and Gary Peterson transferred from St. Joseph's School and Paul Hubbard came from North Junior High School in Moorhead. Sherry Thompson moved to Moorhead from St. Paul, Minnesota, where she attended Edgewood Junior High School. Hailing from Glyndon is Elizabeth Reck, and coming from the longest distance is Jeffrey Hewitt from India.

In addition to English, Social Studies, and Physical Education, the ninth graders this year had the privilege of being in an experimental mathematics class. Thirteen members of the class elected Latin; others took Home Economics and Industrial Arts.

The eighth grade did a number of interesting things during the past school year. In music class Mr. Sundet helped them understand better music written in all four musical periods. Mr. Nokken, mathematics teacher, after a review, started work with geometric forms and figures. In physical education, supervised by Mr. Bladow and Mrs. Smith, in addition to swimming and other activities, the eighth graders studied the book, "Adventures in Living," which is concerned with different processes of maturing and becoming adults. English and Social Studies, the core program taught by Miss Solem, opened the second half of the school day. The last period Mr. Dingman taught art with activities such as carving, painting, and clay modeling.

The seventh grade has 31 members. Marilyn Hall, who was unable to attend school the first semester, took part in classes by way of an intercom system.

Their teachers were as follows: Miss Solem--English and Social Studies; Miss Johnston--Science; Miss Holen--Home Economics; Mr. Mudgett--Industrial Arts; Mr. Nokken, Mathematics; Mr. Bladow and Mrs. Smith--Physical Education; Mr. Dingman--Art; Mr. Sundet--Music. Some of the activities in which they took part (in addition to their academic work) were cooking, sewing, working with wood, metal and leather, playing badminton, basketball, and volleyball, swimming, and clay sculpturing. The class earned some money by taking part in the magazine drive. They also helped sell pens for the band.

HOMECOMING

QUEEN TRECIE

ROYAL PARTY

On October 8, 1959, the five senior homecoming candidates (Carolyn Anderson, Barbara Leach, Mary Kondos, Patrice Tufton, and Virginia Zaske) were presented to the student body, after which a secret vote was taken. The results were not announced until the coronation that same night.

The coronation was held in Weld Hall Auditorium. The candidates walked down the aisle to organ music played by Marilyn Emery. At the steps they were met by their escorts, Dick Anderson, Darrel Grande, Gary Heisler, LeRoy Johnson, and Jim Meland. The flowers were carried by Elizabeth Brand and the crown by Bruce Kading. Allen Sather, the master of ceremonies, carried the robe, which he placed on Trecie's shoulders. She was crowned Queen Patrice, 1959 Homecoming Queen, by Genelle Juve, our former Queen. Entertainment was furnished by the High School Choir, which sang two selections, and Lois Karlstrom, who sang "Autumn Leaves". The cheerleaders led the school in the school song.

After the coronation a reception was held for the Queen and her attendants. It was sponsored by the Senior-Junior Home Economics Class. The faculty, Seniors, Juniors, and their parents were all invited. Punch and cookies were served. At this time the Queen met and conversed with many of her new subjects.

HOMECOMING DANCE

The M. S. C. High School Annual Homecoming Dance was held November 9th in the school gymnasium. Our music was provided by the Dunkirk Trio. Represented at the dance were the students, faculty, and alumni.

"Huckleberry Finn," a dramatization of Mark Twain's famous book, was presented by the Senior Class on November 24 in the Campus School gymnasium. The staging was unusual in that the audience was seated on three sides of the stage.

The story is full of humor and funny antics. The King and the Duke, both rascals, pass as the uncles of the Wilks girls in order to swindle them while Huck Finn and Tom Sawyer are busily trying to figure out a way to rescue Jim, a Negro slave. One hilarious event follows another until finally the King and the Duke are revealed as frauds and Jim is set free.

The play Meet Me in St. Louis was presented March 22, 1960, by an all-school cast in Weld Hall Auditorium.

The play takes place at the home of Mr. Lon Smith in 1904. The World's Fair is about to begin. Mr. Smith has received notice that he is to be transferred to New York. The children in the family all disapprove of moving and leaving their friends. Their schemes to stay create many humorous situations, not to mention getting Mr. Smith discharged.

The play ends happily with Mr. Smith getting his job back and the family remaining in St. Louis.

The annual school Carnival was held in the High School Gymnasium Saturday, November 14. It was sponsored by the Student Council members to raise money for decorating the lunchroom. Bingo brought in the most money; the Cake Walk was also very successful. Earlier in the evening the Fish Pond was patronized by children of all ages. This proved to be the best Carnival our school has ever had.

BABY DRAGONS HAVE SUCCESSFUL SEASON WITH 6-0-1 RECORD

The Baby Dragons, under Coach Don Anderson, who returned after a year's absence, had another successful season, being undefeated and tied only once. The highlight of the season was the 57-20 win over the Ulen Panthers, who until that time had won 16 games in a row. The Baby Dragons also won the Little Valley Conference championship, their fourth in seven years.

The team was credited with very fine running throughout the year. Junior halfback Don Jones led the team in rushing, with 766 yards, and in scoring, with 96 points. Denny Orvedahl and Seniors LeRoy Johnson, Jim Meland, and Art Bannerman did their share of the running for the Baby Dragons.

The team this year had the best line in the conference as they held their opposition to 1086 yards rushing while the offensive unit piled up 1728 yards. Led by Seniors Gary Heisler, Al Sather, Dick Anderson, Dick Bannerman, and Darrel Grande, and Juniors Rick McLaughlin, Denny Kragnes, Jerry Beedy, and John Emerson, the line threw opposition for repeated losses throughout the season.

Two other games that held significance were the homecoming game against Lake Park, which was won by MSC High School 35-0, and the Glyndon game, which was the first eleven-man football game played at MSC High School in twenty years. The Baby Dragons won very handily by the score of 32-14.

BASKETBALL

"A" TEAM

Dennis Thoen(Score-keeper), Dennis Kragnes, Donald Jones, Dennis Orvedahl, Richard Anderson, Richard McLaughlin, Gary Heisler, Robert Domek, Charles Miller, Allen Sather, Gerald Melby, John Nokken, John Emerson(Student Manager). (Center)--Mr. Perrin, Coach.

The Moorhead State High School Baby Dragons had a winning season, with a respectable record of 10 wins against 8 setbacks. The Dragons won the Little Valley Conference with a record of 7 wins and 1 defeat. Key wins over Rothsey and Ulen highlighted the drive.

The Baby Dragons set a new school scoring record of 93 points in the game against Hitterdal on February 2, at Hitterdal. This broke the old record of 91 points set back in 1957 in a game against West Fargo.

Center Dick Anderson and guards Al Sather and Jim Meland led the way in the scoring. Anderson amassed 210 points over 16 games. Sather and Meland tallied 188 and 147 points respectively. Anderson was the chief rebounder with 173 rebounds. Don Jones was the second with 109.
