ALMA MATER

The image shows a highly decorative title 'ALMA MATER' in a Gothic-style font. The letter 'A' is particularly large and ornate, with a long, flowing tail that curls to the left. The letters 'LMA' and 'ATER' are smaller and more uniform in style. The letter 'M' is also decorative, with a central vertical bar and a pointed top. The entire title is set within a dark green rectangular frame with a gold border. The background of the page is a light cream color. There are intricate floral and scrollwork decorations in the top-left and bottom-left corners of the frame. A small signature '— Lois Tappie' is visible at the bottom of the frame.

Greetings to

Moorhead Teachers College

on this her

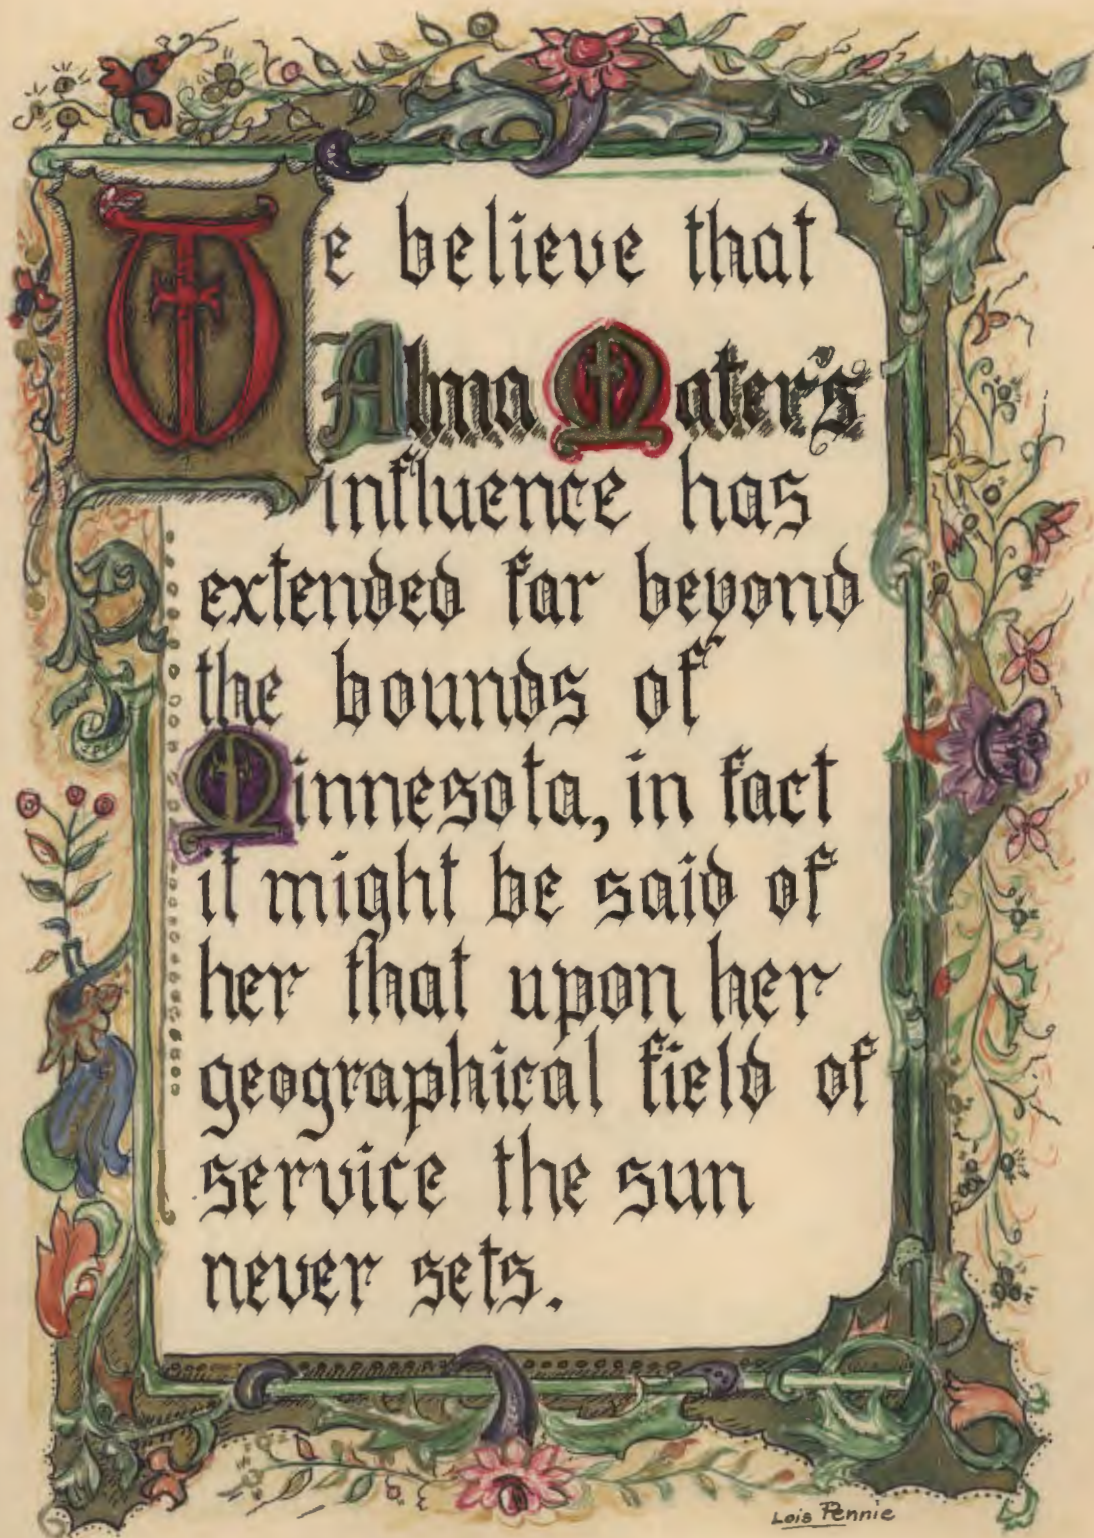

Golden Anniversary

which marks the completion
of fifty years of outstand-
ing service to the
State of Minnesota.

It is fitting at this
time that we congratulate
our

Alma Mater

In this site, half a century
since, the searching brain
the patient hands began their
work "and woke new pow-
ers of service for the world."

We believe that
Alma **W**ater's
influence has
extended far beyond
the bounds of
Minnesota, in fact
it might be said of
her that upon her
geographical field of
service the sun
never sets.

W

e would not forget
at this time when

Moorehead's living sons
and daughters are pay-
ing her tribute, of those
others, equally loyal
and devoted, who have
laid down their earthly
burdens previous to
this anniversary
celebration.

-Lois Pennie-

For your golden memories; for the spirit exhibited by your presidents, faculties, and student bodies; for your ideals of service, loyalty, and self-sacrifice; for your educational influence on city, state and country: our beautiful

Alma Mater;

we, your sons and daughters, honor and thus commend you.
