646 STUDENTS MARK INCREASE IN ENROLLMENT

ALL CLASSES EXCEPT FRESHMAN
SHOW INCREASE OVER LAST
YEAR'S FIGURES

Again showing the steady increase in enrollment which has become almost traditional at the College in recent years, 646 students had officially registered for the fall quarter when administration offices closed Wednesday night. More striking, however, than the increase of 28 more than last year's fall total at a corresponding time of 618, is the large increase in the number of men, who, this year number 172, 46 more than a year ago.

To offset this outstanding increase in the male population of the College, there has been a slight decrease in the women enrolled, 474 entering this fall as compared with 492 a year ago. Going down the line from the Seniors, who show a substantial increase, 52 this year to 41 last fall, the Junior class has increased from 66 to 73, the Sophomores have swelled their numbers from 195 to 224, while the Freshmen alone show a drop to 287 this year from 318 a year ago. Up to the present time 10 special students have also registered.

Later figures will undoubtedly show a still larger gain over last year, as a few more students complete their registration. Classification of the present student body as to states and counties has not yet been completed, but will be published at a later date.

GOVERNING BODY ALREADY ACTIVE

STUDENT COMMISSION APPOINTS
THREE NEW MEMBERS TO
FILL VACANCIES

Initiating their fifth year of activity, the Student Commission has met three times since the opening of the fall term, their meetings being chiefly concerned with the filling of vacancies, and already its various commissions have begun active work on the Campus. The initial meeting on Conference Day, September 6, which was chiefly concerned with orientation of new students, was supplemented in the regular meeting on Thursday morning.

At the Thursday meeting three vacancies caused by absence from school, and one created by resignation, were filled by the action of the student governing body. Succeeding Thelma Erickson as Pep Commissioner, Ethel Ludwig was selected, but her inability to attend school this fall called for a new appointment at the meeting this week. In the Forensics Commission Ward Thompson, Goodridge, replaces Ruth Dahl, Crookston, as chairman. Alice DuBois, Fargo, takes over the affairs of the Social Commission left vacant by the absence of Erling Herman, DeLamere, N. D. Kenneth Johnson, Underwood, was chosen to succeed Gorman Thompson, Goodridge, who resigned as head of the Education Commission.

The future holds much of direction by the student governing body. The social calendar, men's and women's get-together, recurring All-College parties, and in the forthcoming political rally, organization of rooting, and superseding all these—the 1932 Homecoming will be arranged and engineered by the Commission and its branches. Besides those named heretofore, the Commission is made up of Henry Boohrer, president; Ruth Best, secretary; Wilson Dokken, athletics; Axel Tafflin, religion; Cecil Veitch, publicity; and Dr. Archer, adviser.

MEN'S DORMITORY OPENED FOR USE

One of the outstanding features of the present term is the new men's dormitory, the first of its kind at the College. By putting in partitions, the old Student Exchange has been converted into comfortable living quarters for 26 men besides an apartment for the supervisors, Mr. and Mrs. John C. Cox.

Men who stay in the dormitory eat in the Comstock Hall dining room at tables reserved for them. According to Dr. Locke, dean of men, all rooms are now filled.

Fine Program Laid Out For College Orchestra

The College orchestra met Monday afternoon in Weld Hall Auditorium for the first rehearsal of the season. Several new members reported, and prospects are enjoyed for a successful year. The exact personnel and places will be determined at tryouts this afternoon.

An excellent repertoire has been selected. The following are some of the numbers to be used: "Seigfreid's Funeral March", Wagner; "Finlandia", Sibelius; Meyerbeir's "Coronation March", from L'Africane; "Sinfanietta", Schubert-Dasch; "From the Western World", Dvorak-Kapp; "Nocturne", from Mendelssohn's Midsummer Night's Dream; and "Spanish Rhapsody", by Chabnier.

These, together with Schubert's "Unfinished Symphony", and the "Marche Slav", by Tchaikowsky, which were used last year, will form the bulk of the work.

COACHING SCHOOL PROVES SUCCESS

114 COACHES FROM 17 STATES
ATTRACTED TO NEMZEK'S
ANNUAL EVENT

"The greatest coaching school since the annual event was instituted at the Moorhead State Teachers College." This was the general consensus of opinion among those coaches who attended Alex J. Nemzek's fourth annual coaching school. The staff of the school this year consisted of nationally known figures in sporting circles, including Bernie Bierman, head coach at the University of Minnesota and formerly coach of Tulane University's famous "Green Wave"; Everett Dean, hoosier Basketball tutor from the University of Indiana; and Dave Woodward, well known trainer from the University of Minnesota.

114 coaches from 17 different states were attracted to the conclave, and inquiries were received from coaches as far as Montreal and Nova Scotia, denoting the reputation which "Sliv's" pet project, has developed. Entire coaching staffs from North Dakota State College, North Dakota University, South Dakota State College, and South Dakota University were in attendance. Fritz Crisler, formerly of Minnesota University, and now of Princeton, was a distinguished guest of the coaching school.

EDITOR TO SPEAK AT NEXT FORMAL CHAPEL SEPT. 20

EICHELBERGER ALSO TO SPEAK
AT LOCAL GOOD WILL CLUB
SAME EVENING

Clark M. Eichelberger, editor of the League of Nations Chronicle, will address the students and faculty of the College at next Wednesday's formal chapel, it was announced by the administration on Wednesday. Mr. Eichelberger has appeared before at this institution and is reported to be a capable and brilliant speaker.

In the evening he will talk to the Fargo-Moorhead Goodwill Club at Ingleside, MacLean Hall. The meeting will be held under the auspices of the International Relations club of the College.

This morning's program was under the direction of the student commission, as will be the succeeding Friday chapel programs, under the newly instituted plan of formal Wednesday chapels and informal Friday assemblies under the auspices of the Commission.

At the first formal chapel of the year, seat assignments were given out, following which a procession consisting of the Chapel Choir, of 38 members, under the direction of Mr. Preston, and the faculty filed to their seats, the Choir on the stage and the faculty in the seats immediately in front of the stage. The Choir was robed in their conventional gowns of red and white.

President MacLean addressed the assembly on the topic "A Workman That Needeth Not Be Ashamed." Mr. MacLean stressed three points: to work with a purpose, to become an approved workman, and to be a workman on your honor. Following the address, Mrs. Preston rendered two violin solos, "African Dance" by Coleridge, and "From the Canebroke" by Gardner. Mrs. Kise sang "Her Shadow" by Cadman, and "Elysium" by Speaks. Both were accompanied by Lawrence Norin. Mrs. Locke gave a piano solo, "The Italian Street Song."

MUSICAL GROUPS BEGIN PRACTICE

SIX INSTRUCTORS WORKING IN
VARIOUS PHASES OF
ACTIVITY

Never before have musical opportunities at the College been so great as this year. No less than six instructors are engaged in the task of teaching various branches of music. These six include: Mr. Preston and Miss Wenck, both full time members of the music department; and in addition, Mrs. Kise, voice instructor; Mrs. Locke, piano instructor; Mrs. Preston, violin instructor; and Mr. Uggen, who is the band director and instructor in band instruments.

With the remodeling of Weld Hall, the music department has had its work greatly facilitated. Several small practice studios have been constructed upstairs, almost completely soundproofed with their fibre-board walls. A recital hall of generous size has been built in the former Choir practice room, while the Choir in turn has been transferred to roomier quarters on the upper floor. All offices have been rebuilt and redecorated for the staff members.

DRAMATIC CLUB WILL HOLD TRYOUTS TUESDAY

Miss Tainter wishes to announce that all students interested in trying out for the Dramatic Club meet in room 236 on Tuesday afternoon at 4:00. At that time instructions as to tryouts will be given. Any student enrolled in the College may try out, and there is no restriction as to class or previous experience, according to the Dramatic Club adviser.

A triumphant entry into football competition in the new Northern League is forecast for the Dragons as 52 young stalwarts work out daily on Memorial field in preparation for a seven-game schedule opening September 23 against the Sioux of North Dakota University at Grand Forks.

Coach Nemzek's squad, which includes 22 veterans from last year's Interstate Conference Championship team, had their first taste of scrimmage Tuesday, following an intensive week of drilling on fundamentals.

Curran, Gilpin Assist

Besides the wealth of veterans available, an abundance of new talent which gives promise of pushing the veterans hard for regular positions on the eleven has been rapidly whipping into shape under the tutelage of "Sliv" and his two assistants, Bill Curran, line coach, and "Chet" Gilpin, backfield tutor.

Carl Maedl, Frazee, who earned a letter two years ago, is also out for the team.

Many New Men Out

Ross and Wayne Stephens, two leading Freshmen backfield candidates, hail from Aitkin. Others out for the squad include John Nemzek and Matty Knan of Moorhead, candidates for the quarter-back post vacated by Chet Gilpin's graduation.

Other new men include Donald Ham-mell, Marmarth, N. D.; George Meyers, Frazee; Milo Monson, Cass Lake; Ray Lacy, Fessenden, N. D.; Wally Erickson, David DuVall, Clarence Scheid, Vernon Schranz, and Rudolph Peterson, all of Moorhead; Louis Costello, Dilworth; Jack Davis, Akeley; Wayne Hockett, Frazee.

A NEW ERA

Those of us who have been intimately acquainted with the life and progress of our College for the past two or three years realize that we are now on the threshold of a great new era in its history. Though the great conflagration which destroyed Old Main in February, 1930, seemed at the moment to be most disastrous, it has proven otherwise. A finer, greater, more permanent M. S. T. C. has risen upon the ruins of the old, and holds forth the promise of greater achievements in the future. Every tree, every walk, every building stone seems to join in the chorus of the new College.

Yet, in looking at the new, we must not forget the old. We must endeavor to carry on and strengthen that fine, friendly spirit of co-operation and mutual helpfulness that has been so evident in the past years. We must try to make our old traditions a part of the new scheme of things, and so build that we may always be proud of our Alma Mater.

The editorial staff of the Western MiSTiC realizes its responsibility in this task and asks the cooperation of students and faculty in making this publication a truly representative organ of the College.

TO THE CLASS OF '36

In keeping with a time-honored system of the Western MiSTiC, the staff wishes to extend a hearty welcome to the new students and especially to the Freshmen, the Class of 1936. It is with a feeling of pride as well as envy that we welcome you into the College—pride in our institution and in the faith you have shown in choosing Moorhead State Teachers College as your Alma Mater. We cannot help entertaining a feeling of envy as we look back over happy college days spent here, and realize that you are at the beginning of your career. We hope you will find your stay very profitable as well as enjoyable.

The Local Situation

The men's dormitory, an innovation this year, answers a longfelt need at the College. It is to be hoped that it will be a success, and eventually we will have a building of a more permanent nature.

Now that we have a fine swimming pool, why not introduce another competitive sport at the College? Even if it could not be put upon an intercollegiate basis, it would still be possible to have intramural competition in swimming.

In a few short weeks the Dragon football squad will make its debut in a new conference with stiffer competition. This is in keeping with our progress in other lines, and it is to be hoped that the team will be as successful this season as it has in past seasons.

We are not particularly proud of our first mimeographed issue of the MiSTiC issued last week, and relying upon the great American sport of "passing the buck", we will blame the typographical errors upon whoever will take the blame.

Tennis "officials" invite members of the College to make use of the College courts, which will be kept in condition as long as possible, asking only that they wear tennis shoes, wear discreet apparel, and give precedence to the tennis squad.

Several groups organizing within the next week or two ask that Freshmen interested attend their meetings. The International Relations Club is one group which would like to have a number of Freshmen report at its opening session.

If students of the College will in the next few weeks use discretion in moving about the embryo Campus, work now going on will be greatly facilitated.

It would be a great "comfort" to the 1932 football squad if, within the next two weeks, a smooth-working pep squad would be ready to function.

THE OPEN COLUMN

PLEA FOR A SOCIAL HOUR

Last year on Monday afternoons, the Exchange was the scene of a hop enjoyed by a great majority of the student body. This affair was commenced late in the fall, and was discontinued during the spring. We fail to see a valid reason why this weekly dance could not be instituted soon this term.

A great many students come to the College without a sufficient knowledge of dancing, which ranks as the outstanding necessary social accomplishment at M. S. T. C. In our opinion there is no agency of learning to dance better than this social hour, and for that reason if for no other, this event should be started at this time. During the fall term the social activities of a great number of students are determined to a large extent. During the fall a larger number of girls are present at the dances, making it easier for the poorer dancers among the boys to obtain suitable partners. While this viewpoint may seem rather selfish, still, it is the actual situation, and must be taken into consideration.

We personally are acquainted with several young men who are perfectly capable of learning to "shake a foot", and who are willing to learn, but have not had the opportunity. To such, the hop is a godsend. Those of the students who like to dance, and who are capable dancers also glean considerable pleasure each week from the event, and look forward to the continuation of last year's social program.

We believe that the most suitable time for a social hour is Tuesday evening, as year before last. Monday afternoon was the time of orchestra practice (and still is). Other afternoons are filled with meetings, conferences, and the like. Tuesday evening is a night generally free from burdensome assignments, or next-day quizzes. Our vote is for a hop to occur each Tuesday evening from 7:30 to 8:30 p. m.

—J. B.

Schedule Made For Meetings Of Various Groups

In order that there may be no conflict for the meetings of various organizations, the Student Commission has arranged a calendar with the hours and places for meeting. If any group has not yet had its program arranged, it should get in touch with the Commission for the purpose of having its schedule made out in conformity with other groups.

The Band meets Mondays, Wednesdays, and Fridays, at one o'clock, while the Chapel Choir meets Tuesdays and Thursdays at the same hour, and also at two o'clock on Wednesdays. The Euterpe Singers meet Mondays and Thursdays at twelve thirty. At four o'clock on Mondays and Fridays there is Orchestra practice.

The Geography Council meets the second and fourth Mondays in room 127. The Art Club meets in room 313 on the first Monday of each month; Sigma Tau Delta, the third Monday in room 244; and the Country Life Club, the first and third Mondays in room 303. At 8 o'clock on the first Monday of the month Althia meets in room 244, the French Club, the second Monday in room 326.

The Dramatic Club meets the second and fourth Tuesdays at 8:00 a. m. in room 236. Kappa Pi has been scheduled for the first and third Tuesdays at 4:30; while Pi Delta Sigma has the same hour on the third Tuesday. Both meet in the Training School. Lambda Phi Sigma meets the second and fourth Tuesdays at 7:30, and Kappa Delta Pi meets at 8:00 p. m. the third Tuesday.

Sorority and fraternity meetings are taken care of Wednesday night at 7:00 p. m., Gamma Nu in room 242, Pi Mu Phi in room 309, Psi Delta Kappa, room 328, Beta Chi, room 302, and the Owls in the Forge room.

Religious organizations meet Thursday at 7:00 p. m. These organizations consist of the Y. M. C. A., the Y. W. C. A., and the Newman Club.

The following periods are free on the days mentioned: Monday, seventh period; Tuesday, first period; Friday, fourth period. A new plan is being tried this year in which the third period Wednesday will be a formal chapel as in other years, while the fourth period on Fridays will be an assembly in charge of the Student Commission.

NUMEROUS CLUBS SERVE STUDENTS FOR COMING TERM

THREE NATIONAL ORGANIZA- TIONS, TWENTY-TWO LOCAL GROUPS ORGANIZED

A year of profitable activities is anticipated by the student organizations on the Campus this fall. These organizations cover every phase of student interest and furnish an ample field for individual growth.

There are chapters of three national honorary fraternities on the Campus: Alpha Psi Omega, national dramatic organization; Sigma Tau Delta, national English; and Kappa Delta Pi, national education fraternity. These fraternities are open only to upper classmen with superior scholastic standing.

The honorary and departmental organizations consist of the following societies: Lambda Phi Sigma, local honorary education society; Althaia, honorary English society; Geography Council; Art Club; Dramatic Club. In all of these the membership is limited by scholastic achievement in their respective fields. Others include the Jean d'-Arc Club, open to all students who have completed a year of French in college; Country Life Club, open to all who are interested in rural problems; and the International Relations Club, membership to which may be obtained by anyone interested.

There are three professional societies, open to those who are teaching in their respective departments with the exception of the first named, which requires a B average as well for membership. The following are the societies: Kappa Pi, primary; Pi Delta Sigma, intermediate; and Nancio, upper grade.

There are three religious organizations on the Campus: the Y. M. C. A., furthering religious work among the men of the College; the Y. W. C. A., emphasizing religious ideals among the women of the College; and the Newman Club, for the Catholic students of the College.

* Membership in the social organizations is open only by election. There are four sororities on the campus. They are in the order of their seniority as follows: Pi Mu Phi, Gamma Nu, Psi Delta Kappa, and Beta Chi. At the present time there is only one social fraternity on the campus, namely, the Owls.

Jeanne d'Arc Club, Nancio Club, the Owl fraternity, and the Pi Mu Phi sorority have not yet elected their officers for this year. Below is a list of the organization heads which have already been chosen.

DEGREE STUDENT '33, MEETS WITH FATAL ACCIDENT

DONALD E. INGRAM IS DROWNED AT HOME NEAR VILLARD ON JULY 20

Students and faculty members on the campus during the regular summer session were shocked to receive word that Donald Ingram, member of the class of '33, was drowned July 20 while swimming in Lake Amelia near his home in Villard. Donald was well-known and liked about the campus, he having spent three years at the College, where he majored in vocal and instrumental music. He was a member of the Double Male Quartet, of the Chapel Choir, and of Alpha Psi Omega, national dramatic fraternity.

The College was represented at the funeral by Dr. and Mrs. H. J. Locke, and by Robert Walls, Raymond Simonitsch, and Dale Hallack.

Donald was the son of the Reverend and Mrs. E. R. Ingram, was born in Ottumwa, Iowa, August 14, 1911, and was thus just 24 days less than 21 years of age at the time of his demise. Graduating from the Beltrami high school in 1927, he entered the College that fall and would have received his degree next spring. He is survived by his parents, two sisters, one brother, a half brother and two half sisters. He was a faithful member of the Methodist Episcopal church.

Funeral at Villard

A large number attended the funeral, with services conducted by Rev. George Galbraith of Glenwood, assisted by Rev. Lillico of Minneapolis, Rev. Davies of Alexandria, Rev. Butler of Sauk Center, Rev. Brudevold of Renville, Rev. Hedke of Raymond, Rev. Fencske of Paynesville, and Rev. Mayo of St. Cloud.

In a letter to Mr. Murray, who has known Donald and his family since 1921, his father says, "It just seems that it is not so, that he is gone forever from us. He was so cheerful and hopeful, and we had made arrangements for financing him in this, his last year of school; and this week would have found him at Moorhead. How differently things have been ordered. None of us know the day or the hour."

"Donald left the house immediately after his noon meal and with a young companion went to the lake for a dip. In about 45 minutes two friends hurried to the parsonage to tell us that he had gone down and could not be found. The beach was a new one to him, never been in it before, and it is not a very popular one owing to a deep jumpoff of about 25 feet not far from shore.

Circumstances Recalled

"I have since talked with another boy who was with Donald and who tried to rescue him, that Donald and the older lad were playing tag and that they were called to, as being dangerously near this jump-off, that it was but a moment following that Donald was heard to call for help, and went down, and at the third disappearance sank in about 30 feet of water. It was near three hours before his body was found. What hours!

In this first MiSTiC since the tragedy, the College expresses its sincere sympathy to the bereaved family. The memory of Donald will live in the minds of the many friends who knew him here on the campus.

FEW CHANGES IN TEACHING STAFF

CHRISTENSEN STUDYING AT U OF IOWA; TEMPORARY VACANCY IS FILLED BY LURA

As regular classwork gets under way at the College, but little change is visible in the personnel of the administration and teaching staffs. The major vacancies filled are only part-time in nature, having been created by the one-year's leave of absence granted Mr. A. M. Christensen, who is studying for his doctor's degree at the University of Iowa.

Replacing Mr. Christensen in the Education department is Dr. Casper P. Lura. Receiving his Bachelor of Education degree from the Mayville State Teachers College in 1921, Mr. Lura taught for eight years in various places throughout North Dakota. He was granted his Master's degree from Iowa University in 1932, and concluded his work on his doctor's degree the past year, acting as research assistant in the department of education.

Mr. Elmer Uggan is the new Band Director and teacher of instrumental music.

Approached by a MiSTiC reporter in the midst of his work, Mr. Uggan promised complete information about himself next week.

"The important thing now is to let the students know that the band will accompany the team to Grand Forks next Friday", Mr. Uggan said.

The other two of the four new instructors received their bachelor's degrees from this College last spring. Grace Mostue, Thief River Falls, is acting as assistant in the Library Department. Chester Gilpin, Wheatland, California, is director of physical education in the College High School, and is also assisting Coach Nemzek

200 VOLUMES ARE GIVEN TO LIBRARY

It is a pleasure to see the great number of very attractive books in the College Library which are being prepared as fast as possible for circulation, according to Miss Hougham, Librarian. There will be at least 1000 new books on the shelves of the library very shortly, covering the needs of the various departments of the College and Training School.

Mrs. G. A. Magnuson, formerly Miss Mildred Haugh, '25, has made a book gift of 200 volumes to the library. With the gift also received from Lambda Phi Sigma, the library was able to buy a ten-volume set of the "Century Dictionary" which is very valuable. Ten books were received from Miss Anna J. Handeyside, accountant. A gift of \$25.00 from the Pi Delta Sigma fraternity was used to buy books for the Intermediate Department. The fund was sufficient to purchase twenty-five new books.

Alfred Sandal Injured In Eye While In Shop

Alfred Sandal, Syre, was seriously injured while working in the manual training shop in Weld Hall Tuesday afternoon. Sandal, a sophomore at the College, was working underneath a vise on a workbench when his screw-driver slipped, cutting into his eyeball. On the advice of Miss Alfreda Jones, school nurse, he was taken to a specialist in Fargo. Although his condition is serious, he will be removed from St. Luke's hospital soon, according to the attending surgeon.

CONFERENCE DAY OPENS FALL TERM

NEW STUDENTS INITIATED INTO COLLEGE BY ORIENTATION PROGRAM

To few of us who have experienced that first bewildering day on the College Campus, will the day be soon forgotten. Several large buildings, and in each building, long corridors, numbered rooms, strange faces, strange places—and (worst of all) a frantic climbing of curbs, climbing over piles of dirt and fallen trees, like veritable mountain goats.—What wonder that our Freshmen found the College confusing?

But there were those who anticipated this feeling among our enterprising students and planned to obliterate as far as possible this discomfort. These plans, successfully carried out, comprised Conference Day, a day set apart for the new students, in order that they may become somewhat acquainted with the Campus, the faculty, and with each other.

Dr. Locke took charge of the group during the faculty-entering student supper, held at Comstock Hall, at which there were approximately 330 present. Proceeding to the gym after supper, the guests spent the remainder of the evening in a social get-acquainted hour led by Chet Gilpin. According to Dr. Locke, "a good time was had by all."

INTER CLASS NET TOURNAMENT STARTED

TO POST SCHEDULE FOR USE OF SWIMMING POOL; LIFE-GUARDS PROVIDED

Tennis activities for the year begin tomorrow when a men's inter-class tournament gets underway on the College courts. The first team matches pair the Seniors and Juniors in the upper bracket, while the Sophomores meet the Freshmen in the lower section.

The matches are to be held on the Davis Cup plan with each team consisting of two singles players and a doubles team. Four singles matches and one doubles will be played.

All men of the College interested in competing are asked to report to the captain of their class team sometime today. The captains are: Freshman—Herbie Lange, Sophomore—Al Cocking; Junior—Stanley Swenson; and Senior—Clarence Glasrud.

The new swimming pool is to be used by the men of the College twice a week according to Mr. Nemzek, once by the physical education class, and once for recreational swimming.

Miss Frick, who is in charge of the pool, will post the schedule for swimming hours on the bulletin board in the physical education building in the near future. In order that no accidents may befall the unwary, two lifeguards, Wilbur Bailey and James Blaine, have been employed.
