2. The Northern Minnesota and Lake Superior trip will be conducted during summer school at the Fourth of July recess. Itasca State Park, the Iron Range, and Lake Superior and Duluth will be major features.
3. Short trips to local points of interest will be planned.—Armour Packing Plant—Krabbenhoft Farms—Filtration Plant. A trip each week is contemplated.

## DEPARTMENT OF BIOLOGICAL SCIENCE

An extension course in Ornithology will be given by Prof. C. A. Ballard at his cottage on Lake Pelican immediately following the summer session.

The course is designed especially for teachers in service who are candidates for a degree, but may be used as an elective toward completion of the two year course.

One could hardly find more favorable conditions for the study of birds than are found in the wooded lakeside near Prof. Ballard's cottage.

The number in the class is limited therefore early registration is advised.

CHOIR SCHOOL—1929

THE MOORHEAD STATE TEACHERS COLLEGE;—

1. Is an accredited college, recognized for its conscientious and thorough training of teachers for all phases of public school activity.

Four years of work are offered for the degree of Bachelor of Education.

2. Faces the greatest period of expansion in its history, incident to the erection of new buildings made necessary by the fire which destroyed the main hall on February 9th.

This calamity revealed as nothing else could the spirit and loyalty of Moorhead graduates for in five days after the fire the alumni had purchased property worth 30,000 dollars adjacent to the college to be used for the needs of the school.

3. Has six affiliated rural schools where candidates for the Limited Elementary School Certificate are given practice training for rural school work.

4. Is a leader in athletics for both men and women. Its football teams have been at the head of their conference since the conference was organized.

Write Coach Alex Nemzek for circular pertaining to a Coaching School to be held at the college during August. This short course will feature Tom Lieb of Notre Dame who is probably the greatest line coach in the history of football.

5. Is a leader in music. Its activities embrace the Chapel Choir for mixed voices, the Radio Club for girls, a Girls' Glee Club, a Double Male Quartet, an orchestra, and a band that never fails to win the applause of its listeners.

6. Has a debate squad that has successfully maintained an enviable position in intercollegiate forensics.

7. Has a dramatic club, a college weekly, literary societies, social organizations, honorary fraternities, and other activities which contribute just the right thing for individual tastes and differences. Students simply can't help being in something or other at Moorhead.

8. Invites your inquiries. Address the REGISTRAR, STATE TEACHERS COLLEGE, MOORHEAD, MINN.

*Director of Armour Institute Glee Club, Chicago; The Daily News Choral Society, Chicago; Illinois Bell Telephone Choruses, Chicago; Chicago Welsh Male Choir; Arion Music Club of Milwaukee; Municipal Chorus, Gary, Ind.*

Dr. Daniel Protheroe of Chicago will be at the college from June 16 to 29. Each day from 9:20 to 11:00 o'clock he will conduct a class for choir leaders and teachers of public school music.

The course will emphasize interpretation of standard oratorios and cantatas. The list to be studied includes *The Elijah* by Mendelssohn, *Fair Ellen* by Max Bruch, *Olaf Triegvason* by Grieg, *The Creation* by Haydn, *As Pants The Hart* by Mendelssohn, *The Garden* and *The Sepulchre* by Protheroe and *The Messiah* by Handel.
