THE ENTRANCE, MACLEAN HALL

FALL TERM BEGINS SEPTEMBER 6

THE BULLETIN
Entered at the Post Office at Moorhead, Minnesota, as Second Class Matter.
Series 28 JULY, 1932 Number 2

OPENING THE NEW YEAR

The State Teachers College, having recently dedicated four new buildings and remodeled and refurnished two others, is ready this year to welcome young people of Western Minnesota to as fine an educational plant as any of its type in the Northwest.

Returning students of former years are looking forward to the first full year of work in the splendid new library, the gymnasiums, the swimming pool, the social room, the student centers, the fully-equipped classrooms and laboratories, the new music practice rooms and recital hall.

Since spring the old art rooms in Weld Hall have been remodeled into a lobby, opening off which are five individual practice rooms for piano and instrumental work, each with its bulletin board for scheduled hours. The old music room has been completely redecorated and fitted out with a stage which can accommodate two grand pianos. It will be known as the recital hall, and will seat one hundred persons. The old library room in Weld Hall has now been arranged as the choir practice room.

Wheeler Hall for women has been completely renovated with new plumbing, new bathroom fixtures and floors, and much new furniture.

New sidewalks and drives are being laid on the campus, and grading of the grounds is going rapidly forward as the time approaches for the beginning of the fall term.

DIRECTIONS FOR NEW STUDENTS

Students who are planning to enter the Moorhead State Teachers College for the first time should be sure that the following records are sent to the Registrar at least a month before the opening day.

1. An official list of high school credits and grades signed by the Superintendent or Principal of the high school from which he graduated.
2. If the applicant has attended some other college or university, an official transcript of his college work.
3. Any Normal Training Department graduates should send in the Normal Training Department record with the experience record filled out by the County Superintendent.

Any student planning to take the one-year curriculum must have his application in by August 1, since the number which may be admitted to this curriculum is limited.

EAST ENTRANCE, COMSTOCK HALL FOR WOMEN

RESIDENCE HALLS FOR WOMEN

Two modern, well-furnished halls on the campus care for nearly two hundred women. One large pleasant dining room serves wholesome home-cooked meals at a nominal price. One hall has recently had new up-to-date plumbing installed; the living room has been redecorated and refurnished with comfortable new furniture. The student rooms are completely furnished with the exception of towels, dresser covers, or decorative pieces. There is hot water day and night during the entire year. There is a laundry where students may do their personal washing and ironing. A good infirmary is maintained where students who are sick are properly cared for by the resident nurse.

The room rent is from \$5.00 to \$9.00 a month, depending upon the location of the room, and upon the number in the room. Some rooms are single, many are for two occupants, and a few are large enough for three students. Board is \$17.00 a month. At these reasonable rates the halls offer not only home-like living conditions, but also the happy social contacts that every woman wants and needs.

Applications for rooms should be addressed to the Dean of Women. A deposit fee of five dollars is paid when the registration card is sent in. This amount is applied on the first month's board. If cancellation must be made, the fee will be returned provided the reservation is withdrawn ten days before the opening of school.
