TRAVELER-AUTHOR SPEAKS TOMORROW

**DR. ARNOLD KNOWS INTIMATELY
MANY PEOPLES; WILL GIVE
ILLUSTRATED LECTURE**

Dr. Julian B. Arnold, distinguished lecturer and savant, will address the North Central Division of the M. E. A. Friday morning on the subject, "The Debt of Civilization to Literature," and on Friday evening will talk on "The Arab and His Place in Contemporary Civilization."

Dr. Arnold was educated in Marlborough College, and in French and Italian schools. His wide travels in the Orient and the Occident, following a thorough early education in the humanities, give to his lectures and travelogues an authority and a keenness of insight.

He is a son of Sir Edwin Arnold, who not only was a famous poet, but also a power in London journalism and in world politics for forty years.

Dr. Arnold is a traveler and author of note in his own right. He has written "Palms and Temples," "The School of Sympathy," and other treatises. Particularly has he achieved success through his ability to impart to audiences an intimate knowledge of the life and peoples of many centuries. A wanderer in the by-paths of many lands, he has an intimate acquaintance with the traditions, economics, and ethics of four continents.

James O'Donnell Bennett, noted correspondent and critic of the Chicago Tribune, says of him:

"I think that the best lecture I have heard in many years was the one given last evening at Northwestern University. In sixty-five minutes there was not a restless movement—and only once a brief, swift rush of applause—in the crowded hall. The hearers were too intent to wish for an instant to delay the speaker. That speaker was Julian B. Arnold."

COUNTRY LIFE CLUB GIVES PROGRAM OCT. 5

The Country Life Club held a meeting in the Junior High Assembly on Tuesday, October 5. The following program was given:

Songs	Audience
Piano Solo	Winona Jorgenson
Violin Solo	Violet Garden
Reading	Ula Mae Brown
Song	Girls' Quartet

The next meeting will be in the form of a social hour and will be held Tuesday, October 19.

DRAMATIC CLUB WILL GIVE ONE-ACT PLAYS

The Dramatic Club met last Wednesday at 3:15. It was decided that a float would be entered in the homecoming parade. A committee of three was appointed to plan the float. Rosella Lytleton was appointed chairman with Oscar Hough and Helen Vigen as assistants. Miss Tainter then took charge of the meeting and paid special attention to the cast, characters, and tryouts for the Indian plays which the members are studying.

M.S.T.C. IS READY FOR HOMECOMING

**PARADE, FOOTBALL GAME AND
BANQUET FEATURE THE
PROGRAM TOMORROW**

Tomorrow promises to be a big day. Plans have been made for a parade under the direction of the college Y. M. and Y. W. C. A. Indications are that there will be twelve floats in the parade representing the various organizations of the school. A prize is to be given to the organization having the best float.

The Homecoming this year will be bigger and better than ever before. Tomorrow there will be the Homecoming game between the Peds and St. Cloud. Tomorrow evening the alumni, upperclassmen, and faculty will be entertained at a banquet at Comstock Hall. Special accommodations and entertainments for this dinner are under the supervision of Alfred Tollefson.

The college is planning an accurate system of registration of those in attendance at the M. E. A. meetings. This will be under the direction of R. Ormenso Bjork.

Helen Bergquist and Hope Bertleson, alumni of the Pi Mu Phi sorority, entertained the actives at a Sunday dinner.

The parade which was to have been held Friday, at 1 o'clock, is postponed until the time of the Concordia game.

EXTENSION COURSES TO BE GIVEN THIS YEAR

Moorhead State Teachers College will give extension courses in any center which can be reached from Moorhead, where a sufficient number of persons are interested. Anyone contemplating such a course should see Mr. Bridges. An announcement will be made during the meeting in regard to extension work.

STATE RANKS HIGH IN STUDY COURSES

**MINNESOTA IS GIVEN SPECIAL
MENTION IN FIVE SUBJECTS
AND GENERAL COURSE**

Minnesota has a right to be proud of her elementary course of study. Teachers College of Columbia University, after a two-year investigation of nearly 900 courses of study, rates Minnesota "very good" in the general course, in civics, in industrial arts, and in language; and gives our state "special mention" in history and in reading.

Comparatively few courses of study out of the 900 received a place at all in the rating, and for that reason the citation which Minnesota has received is especially gratifying.

Incidentally the North Central District can claim a part of the credit, particularly in the "very good" rating awarded to the civics and industrial arts courses for elementary grades, since President MacLean was chairman of the state committee on civics, and Miss Georgina Lommen was chairman of the committee on industrial arts.

Only seven states were ranked as "very good" in industrial arts, and only five were so designated for their outline of the course in civics.

Copies of the State Course of Study may be secured at the College Book Store in the basement of the main building.

SEVERAL CHANGES MADE IN FACULTY THIS YEAR

There have been a number of changes made in the ranks of local faculty members this year. Five new members have been added to the teaching corps of the college. Miss Mary Anderson, A. B., R. N., of South Dakota, is the school nurse succeeding Miss Velma Forbes, who is now doing missionary work in China.

Mrs. Minnie Goodhue, associate in the Junior High School, takes the place of Miss Emma Erickson.

Mr. Joseph Kise, who has been doing graduate work at Harvard for the past year, is back at M. S. T. C., and teaches American Government.

Mr. A. M. Christianson of Sleepy Eye, Minn., fills the vacancy left in the Education department by Mr. Archer. Mr. Archer is at Iowa University completing the work for his Doctor's degree.

Mr. N. K. Teeters of Steubenville, Ohio, teaches sociology, and hygiene and sanitation.

Mr. Byron D. Murray of Maryville, Mo., is a new member of the English department. He is the faculty adviser of school publications and of debates.

CONCERT WILL BE A MUSICAL TREAT

**LIEURANCE CONCERT COMPANY
TO GIVE PROGRAM TONIGHT
OF DRAMATIZED SONGS**

Turlow Lieurance, noted pianist and composer of Indian music, and Edna Wooley Lieurance, soprano, will appear tonight in a concert which promises to be a real treat for those attending the North Central meeting.

With the assistance of a flutist, they will give a program of dramatized songs of the American Indian, with Mrs. Lieurance in costume.

Mr. Lieurance has recorded the melodies of many Indian tribes, the best known of which is probably "By the Waters of Minnetonka."

Will Shakespeare, critic of the Musical Standard, London, says of Mrs. Lieurance that she has a lovely, sympathetic voice, and is one of the best singers living.

Here in Minnesota, the land of the "sky-blue water," the home of some of the most interesting tribes of American Indians, such a concert will be certain of an attentive reception.

MISS PARKER TO TALK ON SCIENCE COURSES

Miss Bertha Parker of the Experimental School, University of Chicago, will give a talk on Friday morning at the general meeting of elementary and rural school teachers on "Planning and Teaching a Science Course in the Grades."

Miss Parker is probably best known through the Parker-Barrows Geography. She has recently planned a course in science for the Chicago grade schools, and has published a set of texts in science for the grades.

She will speak generally on the materials and methods for teaching some one unit of the science course.

LUNCHEES TO BE SERVED IN HOME ECON. ROOMS

The Home Economics Department, under the supervision of Miss Turner, will serve a hot lunch in the Home Economics rooms on Thursday and Friday, between the hours of 12 and 1 o'clock, to the teachers who wish to eat lunch there during M. E. A. The girls of the Home Economics Department will serve.

COLLEGE HAS 3 RURAL AFFILIATED SCHOOLS

Miss Margaret Bieri and Mrs. Ina Lockwood of the Rural Education Department are in charge of the affiliated schools, Oak Mound, Clearview, and the Demonstration School.

The Oak Mound school has a teaching corps consisting of Catherine Edlund, principal, and Winifred Froelich, teacher. Four student teachers are also receiving their training there.

Clearview school has Anna Nokken as principal and Frieda Johnson, '25, teacher. Four student teachers are at work there.

The Demonstration School has but one teacher, Dorothy Moore. Two students are working under Miss Moore.

All of these schools employ full-time janitors and cooks. The schools are fully equipped with the best of modern appliances. The living quarters for the students and teachers are pleasant and modern.

The faculty and students of the college extend their deepest sympathy to the parents and family of Miss Mable Brink.

During the short time Miss Brink has been with us, she has made many friends. She was a young woman of unusual promise, sterling qualities and high ideals, and made a very fine impression upon all who knew her.

ADDRESS BY DR. DAVIS OPEN TO TOWN VISITORS

Dr. Mary Dabney Davis, of the U. S. Bureau of Education, will speak at the N. W. Central M. E. A. meeting tomorrow, Oct. 8. She is a Nursery-Kindergarten-Primary Education specialist. Her afternoon talk, "A Unit of Experience," is open to club women and parents who may be interested. It is accompanied by a moving picture film. After the talk there will be questions and discussion in a general manner by the audience.

SCHOOLMASTERS STUDY CLUB BANQUET TONIGHT

The Schoolmasters Study Club will hold their first meeting of the new school year during the Northwest Central Division meeting of the M. E. A.

A dinner will be held on Thursday evening, October 7, in the Home Economics rooms of Weld Hall, Auditorium building. Dinner will be served at 6:00 P. M. in order to have ample time for the program will follow. The club will also organize for the ensuing year at this time. The plates will be 75c as usual.

DR. LEONARD TO SPEAK ON FRIDAY

**WISCONSIN PROFESSOR IS AN
AUTHOR OF ENGLISH TEXTS
AND COLUMBIA GRADUATE**

Dr. S. A. Leonard, of Wisconsin University, a well known authority on English, will give an address on Friday morning entitled "Teaching Real Language Throughout the Grades." At two o'clock he will talk on "Dealing With Individual Differences in High School Teaching."

Dr. Leonard studied at Columbia University from 1916-1920 and again in 1925-1926. He began teaching at the University of Michigan in 1908. He became assistant professor of English at the University of Wisconsin in 1920 and has been associate professor since 1925. He is a member of the National Council Teachers of English, the Modern Language Association of America, and Phi Delta Kappa, honorary educational fraternity.

He has written several books, the best known of which are "English Composition as a Social Problem," and "Essential Principles of Teaching Reading and Literature." He also edited "Poems of the War and the Peace" in 1920.

Mr. Preston sang "The Sunshine of Your Smile" at chapel on Friday. The audience showed its appreciation by its determined effort to be favored by an encore, but Mr. Preston is evidently saving the encore for another time.

COLLEGE STUDENT KILLED BY AUTO

**MABEL BRINK DIES FROM AUTO
ACCIDENT; HANNAH BERG IS
ALSO INJURED BY DRIVER**

Miss Mable Brink, 23, a student of M. S. T. C., was killed on Monday evening when struck by a car traveling at a high rate of speed. The car did not stop.

Miss Brink died at 11:50 P. M., about five and one-half hours after the accident occurred. She suffered a fractured skull and internal injuries.

Miss Hannah Berg, a sister of Amy Berg, former M. S. T. C. student, who was also hit by the car, is suffering from two broken ribs and an injured vertebra.

The accident occurred about 6:30 P. M. at the corner of Fourth Street and First Avenue South, Moorhead. The two girls were crossing the avenue, going north on the west side of the street, when struck by the car which was speeding west on the avenue.

Miss Brink was dragged about 75 feet and the car passed over her body. Immediately after the accident, Patrolman Richard Anderson of Moorhead picked Miss Brink up and carried her into the Johnson Candy Company on Fourth Street. A physician and ambulance was called and she was taken to the hospital immediately.

Fargo police were notified as soon as the accident occurred and efforts are being made by officials of the two cities to locate the driver of the car.

Miss Brink lived at Horace. She was the daughter of Mr. and Mrs. Ole Brink, pioneer residents of Horace. She attended the grade schools in Horace and later graduated from Fargo High.

She taught school at Tower City for two years and since then had taught at Horace.

The funeral will be held at 2 o'clock Friday afternoon from the Lutheran church at Horace.

Miss Brink is survived by her parents, three sisters, and four brothers.

ARION CLUB SELECTS ELEVEN NEW MEMBERS

At the meeting of the Arion Club last week, students who were musically talented were given an opportunity to try out for the club. The following new members were voted in: Harold Friedlund, Edward Skjonsby, Annabelle Godfrey, Florence Thorson, Louise Sorknes, Blanche Runyon, Catherine Dunham, Irene Hagen, Lillian Sletten, Edith Holmquist, and Pearl Holmquist.

PEDS READY FOR TOMORROWS CLASH

**COACH NEMZEK EXPECTS GAME
TO BE ONE OF HARDEST ON
1926 SCHEDULE**

When the final whistle is sounded tomorrow, indicating the finish of the big homecoming game with St. Cloud, one team or the other will probably have broken the four-year tie. Four games have been played by the two institutions and each has won two games.

The teachers from St. Cloud come highly touted. They have already met and defeated two strong teams, St. John's College of Collegeville, Minn., and Eau Claire Teachers College of Eau Claire, Wis. According to reports that are being circulated from St. Cloud, they are represented by the strongest eleven in history of history of their school.

Tomorrow's battle will find the Peds in the best of condition. The men will not be hampered by any minor injuries of any kind, and the indications are that every man is fit to go to the limit in the struggle.

Gates, veteran tackle who has been out for a week with a slight attack of pleurisy, will be back at his old post at right tackle. Ringdahl, husky tackle on the other side of the line who suffered two or three bruised ribs in our scrimmage against the A. C., will be all set for tomorrow's battle. Edwards, who suffered a broken collarbone in the game against Park Region, will be the only member of the team that will not be ready for action.

It is going to be a battle royal, by two evenly matched teams. Which team has the edge is hard to decide, but win or lose, the Ped gridders are

WELCOME, TEACHERS

Welcome M. E. A. members! We are glad to see you. The college opens its doors to you, its alumni and friends. May the time you spend with us be a most fruitful and happy one: fruitful, in the gaining of valuable teaching material that makes for progress; happy, in the renewing of old friendships and associations. You of the alumni have felt the cordial spirit of the institution. May you, our friends, also enter into the same spirit that makes for good fellowship and good will.

Again we say, M. S. T. C. indeed bids you a most hearty and sincere welcome!

AN APPRECIATION AND A REQUEST

We of the editorial board wish to take this means of expressing our appreciation to the members of the business staff of The MISTIC. Largely through their efforts has the new MISTIC been made possible. The paper may look strange to our alumni, but we hope that they will come to like it.

Since the advertising staff, particularly, has made it possible to carry a certain amount of additional news, we wish to invite teachers, principals, and superintendents of the North Central district to send in brief reports of what they are doing, and of what their schools are doing. We have columns in which we print, from week to week, news of alumni, and condensed news items of what other schools are doing. We hope that you will co-operate with us, and send in news stories. Address all communications to The MISTIC.

MEMORIAL DRIVE TO BE STATEWIDE

PLAN INCLUDES 10 ROWS OF SEATS; SHOWERS, DRESSING AND EQUIPMENT ROOMS

Subscriptions for the Moorhead State Teachers College Memorial Stadium drive now total \$3,900, leaving \$6,100 as the campaign goal to be raised.

Alumni of the college are being canvassed to pledge sums in five yearly payments. The drive has been extended to towns near Fargo and Moorhead, where it was recently launched, and within a few days will be statewide in scope.

It is planned to raise \$10,000 by 1928, so that the construction of the first two units of the Memorial Stadium may be started. The first two units consist of ten rows of concrete seats on the north side and ten rows on the south side.

The college chairman, in the absence of Leonard C. Murray, president of the campaign, is R. Ormense Bjork, Mrs. Helga Hulbert and Mrs. O. J. Hagen representing the alumni, and Alfred Tollefson and Florence Ruud representing the students, together with Bjork, comprise the executive committee.

The stadium plan calls for dressing rooms, showers, and equipment rooms under the north tier of seats. Memorial Field with the new stadium will be one of the best gridirons in this part of the country, and the best in the two cities. At present, it is equipped with temporary bleachers, a fence, and a ticket office. The temporary bleachers will be erected at the end of the field in the form of a semi-circle, thus making a standard stadium in the shape of a horseshoe.

The stadium plan is a flexible one, since tiers of seats may be added whenever it becomes necessary. The two 10-row sections, however, is all that is comprehended in the present plan.

CODE OF ETHICS OF THE NATIONAL LEAGUE OF TEACHERS ASSOCIATIONS

Code of Ethics of the National League of Teachers Associations:

We believe that one who aspires to be a leader of youth should have first of all, character—that subtle and indefinable quality which is finer than the finest deeds, greater than the greatest facts, which includes but transcends honor—a nice sense of what is right, just, and true, with a course of life corresponding thereto;

Vision—a supreme faith in the ultimate triumph of the ideal good; Patience—which means the ability and the willingness to wait, and may also mean kindness to evil-doers, and bearing with the weaknesses of others;

Justice—recognizing in our fellowman another self—seeing both sides of every question;

Benevolence—that which helps another to help himself—not indulgence; that energy and enthusiasm which can be satisfied only by seeing ambition realized;

Service—"The power to give the world more than I take." And with these a broad education, both liberal and professional, as a preparation for one's life work, so that he will do it conscientiously and with pleasure because he can do it well.

"And it came to pass that after a while the artist was forgotten—but the work lived."

WITH OTHER SCHOOLS

VALLEY CITY

The Vikings and Wahpeton Wildcats battled to a scoreless tie Saturday afternoon, October 2. Brockmeir, for the Vikings, and Bassett of Wahpeton, were the stars of the game.

ABERDEEN

Northern Normal's powerful offensive succeeded in swamping the Ellendale Normal eleven Saturday, October 2, with a 41-0 score.

CONCORDIA

Jamestown College defeated Concordia gridlers, 14 to 13. Weak defense spelled defeat for Cleve's Cobbers in their season's opener. Cleve's machine showed much latent power which should make the Cobbers a conference contender. Thoreson and Reed for Concordia, and Anderson of Jamestown, were the stars of the game. This was the first triumph for the Jimmies in four annual contests with the Cobbers.

N. D. S. A. C.

Freshmen at the North Dakota State College were victorious in the first skirmish of the year between the newcomers and the Sophomores, last Friday night. The Frosh had their colors and numeral 30's on the roofs of nearly all the buildings at the college. Shouts of "Yea, Frosh," and the crack of paddles were heard not only on the campus but throughout the business district of the city. There are 400 Freshmen enrolled at the college.

WINONA

The fall quarter opened with an enrollment of 507 students compared with the 1925 figures of 590. The enrollment is as follows: Freshmen, 234; Sophomores, 247; Juniors, 18; Seniors, 8. The decrease is attributed to the fact that many teachers college graduates have been unable to secure positions.

EDWARDS PLAYS AFTER COLLAR BONE IS BROKEN

George Edwards, Ped quarterback, carried the ball for an eight-yard gain after he had suffered a broken collarbone in the game with Park Region last Friday. Such pluck is deserving of praise. The injury will keep him out of the game for the remainder of the season, and the team will miss him.

STEPS

There are steps and steps! There are the steps that lead upstairs; steps that lead down; steps that are long; steps that are short; steps that are intricate; steps that are simple; steps that are soft; steps that are hard; steps that are jerky; steps that are rhythmical; but of all the steps that ever were stepped "Baldy" says that the step someone took on his eye is the limit.

1927 PRAECEPTOR STAFF MEMBERS ARE ELECTED

The Praeceptor staff is now complete. The five members of the staff who were chosen last spring are:

- Editor-in-chief.....Lucille George
 - Assistant Editor.....Alfred Tollefson
 - Business Manager.....Claude Nemzek
 - Sophomore Editor.....Oscar Hough
 - Humor Editor.....Harriet Morgan
- These five met with the faculty adviser last Friday and elected seven additional members to complete the staff. The new members are:
- Assistant Business Manager.....George Bowers
 - Assistant Business Manager.....Esther Jorgenson
 - Music and Dramatics.....Ruth Tweeten
 - Men's Athletics.....Phillip Strombo
 - Women's Athletics.....Nellie Ingliis
 - Art Editor.....Hazel Hanson
 - Literary Editor.....Alice Boyum

The Praeceptor staff has many surprises in store for the students. This year's Annual is to be everybody's book. Start saving your pennies now!

ART CLUB HAS WIENER ROAST AT CITY PARK

The members of the Art Club enjoyed a wiener roast at the Moorhead Park, Sept. 29. Besides the regular members, Miss Tene McCarten of Fargo, and the Misses Brandt and Arneson, charter members, were present. Agnes Redlinger, Ethel Davis, and Ann Braaten were in charge of the arrangements for the picnic.

The next regular meeting will be held Oct. 13 at 3:15.

DELTA SIGMA OFFICERS FOR FALL TERM CHOSEN

Delta Sigma, men's literary society, held its first meeting of the year Thursday, Sept. 30. The following officers for the fall term were elected:

- President.....Arlo Baldwin
- Vice-President.....Menser Anderson
- Treasurer.....George Simson
- Secretary.....George Edwards
- Critic.....Alfred Tollefson
- Censor.....Hjalmer Erickson
- Chorister.....Harold Preusse
- Sgt.-at-Arms.....Frank Nemzek

Plans were made for the election of new members, and for a program for the coming term.

HEERMANN CONCERT PLEASES AUDIENCE

The Heermann String Quartet gave a concert before a large audience of students, faculty, and townspeople at the college auditorium, Friday, October 1, at 8:15 P. M. That the members of the quartet are all artists of note was clearly evidenced by their technique, tone, brilliance and co-ordination of execution. The instruments responded interchangeably on the main themes with a subtleness of precision, as if a Master Mind directed each one. As the concert progressed, there was a noticeable tendency of an increasing appreciation on the part of the audience. The artists gave two encore numbers besides the regular program. The program included the following selections: I. Quartet in G. op-18.....Beethoven Allegro Adagio Scherzo Presto II. Novellettes.....Glazounov (a) Orientale (b) Interludio (c) Valse (d) All'ongarese III. Folksongs— (a) Swedish (b) Bohemian (c) German (d) American (e) Irish

OUR TRAINING SCHOOL

The primary department has added a new service to its already enriched curriculum. The newest addition to the department is "Our Surprise Corner." This consists of an easel attractively covered with paper. The following are some of the notices taken from the corner: Third Grade. If you guess this riddle do not tell anyone the answer. Write the answer on a piece of paper and give it to Miss Rainey. I am 7 ft. tall, 9 ft. long and 4 ft. wide. I am grey and white and green. What am I? Third Grade Notice. Third grade boys and girls may report to Miss Rainey the names of any books they would like to read in the library. Second Grade Notice. If you would like a riddle tomorrow write "yes" on a piece of paper and hand it to Miss Rainey. Have you brought anything or made anything to be put on the bulletin board? The second grade nature study class planted narcissus, tulip, hyacinth and crocus bulbs on Monday. They expect to have the plants in bloom by Christmas. The second grade drawing class has made pictures of flowers and leaves. Some of the pictures are quite attractive.

PEDS SCORE EASY WIN FROM PARK

OUTPLAY LUTHERANS TO WIN 30-0; EDWARDS OUT FOR REST OF SEASON Playing sparkling football in spots, and only mediocre football at other times, the Peds defeated the Park Regionites 39-0, in a one-sided contest at Fergus Falls, Minn., last Friday afternoon. The Teachers outplayed the Lutheran College boys from the opening to the final whistle. The Fergus aggregation failed to make a single first down, and were unable to penetrate the strong forward wall of the Ped eleven. George Edwards suffered a broken collarbone toward the end of the first quarter, and was taken to the hospital at Fergus Falls, and it was necessary for him to remain over night before returning home. His services will be lost to the team for the remainder of the season, and the loss will be keenly felt by Coach Nemzek, who expected Edwards to share the brunt of the quarterback burden this fall with Byler. Ralph Smith, stellar center, and Captain "Jelly" Erickson, tackle, did the best work on the line. Their blocking and tackling was of the first order. In the backfield, Byler, who replaced Edwards at quarterback, handled his position in commendable fashion, selecting the most effective plays and also getting away for several long gains while carrying the ball. Zech, at full, showed promise of becoming one of the high lights of the backfield. He made a number of long gains on off tackle and guard plays, and proved very adept at snagging forward passes. The first touchdown was made toward the close of the first quarter, with Zech carrying the ball over, after a series of line smashes. Three touchdowns were added in the second period, Baldwin and Claude Nemzek smashing through the line for one each, and Zech scored on a forward pass from Byler. No more scoring was done until the final quarter, when two touchdowns, both via the aerial route, were added. Both passes were made by Byler, one to Zech and the other to Vic Friedlund. The lineups: PEDS RE PARK REGION Mattson RE Fischer Erickson RT Wollerton Townsend RG Statsvold Smith C Lowry Strombo LG Johnson Ringdahl LT Mork F. Nemzek LE Fatland Edwards QB Breen C. WHO'S WHO on the 1926 FOOTBALL TEAM

TOP ROW : Bordsen, Clark, Mattson, Leland, Townsend, Simpson, Wiek, Coach Nemzek
 SECOND ROW : Bjork, Bestic, C. Nemzek, Ringdahl, Anderson, Gates, Baldwin, Zech,
 BOTTOM ROW : F. Nemzek, Gowenlock, Smith, Erickson, Byler, H. Fridlund, V. Fridlund, Strombo

(Continued from Col. Five, Page One) going to give a good account of themselves. Visitors and M. S. T. C. students are going to see a hard fighting eleven representing our college. Purcell, the sports editor of the Fargo Forum, says, "Any team that meets the Clan of Nemzek this season might as well prepare for the worst." This statement, coming from an authority like Mr. Purcell, ought to indicate that the Peds are a powerful aggregation. Some of this power was apparent at times against the Park Region eleven. What men Coach Nemzek will start against the St. Cloud team is not certain, but the following men are sure to get into action: Mattson, Nemzek, Gowenlock and Anderson, ends; Ringdahl, Erickson and Gates, tackles; Strombo, Townsend, Erickson, Leland and Wiek, guards; Smith and Strombo, centers; Baldwin, C. Nemzek, H. Fridlund and Bestick, halfbacks; V. Fridlund and Zech, fullbacks, and V. Fridlund and Byler, quarterbacks.

HONORARY EDUCATIONAL BODY CHOOSES OFFICERS

Lambda Phi Sigma, honorary educational fraternity, at its first meeting of the year on last Wednesday, Sept. 29, elected officers and decided on other matters. The following is a list of the officers elected:
 President.....Mrs. Ruth Dillavou
 Vice-President.....Beatrice Holmquist
 Recording Secretary.....Gem Faus
 Corresponding Secretary.....Rhoda Maland
 Keeper of the Records.....Ivy Brandt
 Faculty Counselors.....Miss Hawkinson, Miss Lommen
 Alfred Tollefson retains his position of treasurer, to which he was elected last summer.
 Only three student members belonging to Lambda Phi Sigma are in school. They are Mrs. Ruth Dillavou, Claude Nemzek, and Alfred Tollefson. Miss Maland and Mr. Weltzin of the faculty are also members.

GAMMA NU ENTERTAINS AT HEALY HOME MONDAY

The Gamma Nu sorority entertained its patronesses, alumnae, and honorary members at an informal tea given at the home of Miss Helen Healy of Fargo on Monday afternoon from 3:30 until 5:30.
 Decorations were carried out in gold and white, the sorority colors. A short program consisting of the following numbers was given:
 Vocal Duet.....Evelyn Lybeck and Margaret Buckland
 Reading.....Dagney Hanson
 Piano Solo.....Catherine Dunham
 The committee in charge of the arrangements for the tea consisted of Margaret Buckland, Mable Eichmiller, Dagney Hanson, and Evelyn Lybeck.

Captain "Jelly" Erickson resides in Moorhead, except when he goes on his yearly expeditions into the harvest fields in the surrounding vicinity. They say he wields a wicked pitchfork! "Jelly" is a product of the Moorhead High School, where he played center on the football team in his senior year. Since his advent to the Teachers College he has been an important factor in the athletics of the school. This is his third year as a member of the team and during this period he has alternated at center, guard and tackle. That he is a football player of real ability is indicated by the fact that he was chosen as all-conference center on the second team last season. As a result of his high class performances on the football field, and popularity with the rest of the members of the team, he was elected captain of the present eleven.

"Ball and Chain" Gates is also a product of the Moorhead High School. He resides in Moorhead, but on certain nights of the week you will find him in Fargo at the Armory, giving the boys that belong to the National Guard company a few pointers on how squads east and west are done. He enjoys the distinction of being one of the few that played four years on the Moorhead High School football team. During his college career he has held down the post at right tackle and has done commendable work every season. He made the all-conference first team in 1924 and the second team in 1925.

"Baldy" Baldwin dwells across the river, but spends most of his time on this side. "Baldy" graduated from Fargo H. S. in 1924, and signed up for the football team at M. S. T. C. the following fall. Baldwin hit his stride last season, and was considered by all coaches the best halfback in the conference. Great things are expected of him this fall by the coach, members of the team, and student body. "Baldy" won't disappoint us, that is certain.

"Babe" Nemzek resides beside the Concordia athletic field, which, it is said, he used a great deal in his more youthful days. As a result, he is today playing halfback on the college team. "Babe" is not only a good football player, but one of the ranking students of the institution. This is his second year as a member of the eleven.

Zech, our fullback, comes from the city that very recently changed its name from just plain Detroit to Detroit Lakes. He played fullback at Detroit Lakes, and is holding down a similar position here. Coach Nemzek has the makings of a real football player in Zech.

"Ron" Byler, our diminutive quarterback, lives in Moorhead. He is a product of the Moorhead High School where he played quarterback during his senior year. "Ron" held down the quarterback post last season, and will be at the helm again this fall, indication enough that his work is satisfac-

tory. "Matty" Mattson also lives in the city of Moorhead. "Matty's" first real football started last fall. He made the team last season because of hard work and natural ability as a football player. This season he looks better than ever, and barring injuries, will go far in football this fall.

"Nemy" Nemzek, Coach Nemzek's other brother at this institution, is also a resident of Moorhead. This is "Nemy's" third year as a member of the team, and he is going as strong as ever. Last season he was chosen all-conference end, and should repeat this year. Besides being a good football player, he can fill the roles of classic dancer or hero on the stage.

Ringdahl comes from the state of North Dakota; to be exact he resides at Milnor. This is Ringdahl's first year in collegiate competition, but his ability as a football player will be clear to everyone when the last gun is fired tomorrow. He played on the Milnor High team for four years, and Milnor had some good teams.

Ralph Smith is one of Moorhead's few red-headed Irishmen. He is a product of the Moorhead High School, where he majored in football. He also enjoys the distinction of being one of the very few that played four years on the Moorhead high team. Last year he attended the A. C. across the river, and made the freshmen team of that institution. Ralph is the type of player that makes a hit with Coach "Sliv." He isn't red-headed just for looks.

"Doc" Strombo hails from Stephen, Minn. "Doc's" high school football days were over in 1917, but he decided, after a period of years, that it would be a good idea to return to school again. Last year he had the misfortune of spraining his ankle and was out practically the whole season. Barring injuries, the coming season will see him coming along nicely.

"Goldie" Gowenlock graces the village of Gardner, N. Dak., with his presence during the summer months. "Goldie" and football had not become acquainted with one another until last year. He has been developing considerably this fall so far, and is going to give a good account of himself before the season is over.

"Mink" Anderson is a resident of Wheaton, Minn., where the ducks are so thick in the fall of the year that sometimes the sun is not seen for several days (?). "Mink" received his first football experience at Wheaton High School. This is his second year as a member of the football team at this institution. Coach Nemzek has been using "Mink" in the backfield at various times and may decide to switch him from end to the backfield.

Townsend resides at Pine River, Minn. This is his first year of football, but Coach Nemzek has already developed him into a linesman of real ability. With his size and strength, he is going to become a power on the line.

Leland is a Detroit Lakes High School product. He played one year of football at Detroit Lakes high, at a tackle position. Leland is a hard fighter and the coach will have plenty of use for him before the season is over.

"Jim" Bestick also hails from Detroit Lakes. During the summer vacation you will find "Jim" tooting away at a slide trombone at one of the lake pavilions. He played two years with the Detroit Lakes High, in the backfield. "Jim" can be relied upon to do his best whenever he is called upon, and should be heard from before the season is over.

"Vic" Fridlund lives in Moorhead. Last year Vic played one of the half-

back positions at Moorhead High and did a splendid job of it. Coach Nemzek is using Vic at fullback and at quarterback. Besides being a good ball carrier, Vic is a punter and drop-kicker of no mean ability.

"Happy" Fridlund is Vic's younger brother. "Happy" played end on the Moorhead High School team last year and center during his junior year. Although he did not play in a backfield position in high school, Coach Nemzek is using him in that capacity. "Happy" is gifted—that is, he has a pretty well educated toe. He is an excellent dropkicker and gets real height and distance to his punts. "Sliv" expects great things of "Happy" this season.

Wiek hails from Henning, Minn. Wiek had no football experience until coming to this school, but his willingness to try has developed him into worthy candidate for a line position.

George Edwards finished his high school days right here at this college. This is George's third year of football at this school and this year was looked upon by the coach to be his best. The breaks were against George, however, and he suffered a broken collarbone in the first game of the year. George played end in his former years of competition, but this season Coach Nemzek switched him to quarterback, where he was doing an excellent job of directing the play.
