- B. **SECONDARY.** The secondary field requires the completion of one major (other than Education) and two minors; or two majors (other than Education.) The number of quarter hours for a major varies with the different subjects, but it cannot be less than thirty-two quarter hours in the designated field, including constants. A minor cannot be less than twenty quarter hours in the designated field, including constants.

TWO-YEAR CURRICULUM

The two-year curriculum offers training for those who expect to teach in the elementary field in either the graded or ungraded schools. Subjects have been selected to give the best possible training in the short time available. Technic and student teaching are offered in both graded and ungraded schools under expert supervision. The student must plan to spend six weeks of the second year doing student teaching in a rural school. In order that the student may have work in the field of special interest choice of Primary or Intermediate technic is offered. One term of student teaching is also done in the field of choice. The certificate granted will indicate the two fields of training. i. e., Rural and Primary, or Rural and Intermediate. Graduation is based upon the earning of ninety-six quarter hours of credit and the same number of honor points in the subjects listed below.

| | | |
|--------------------------------------|----------------------------------|--|
| Art 110..... | Elements of Art | |
| Education 110 | Psychology I | |
| Education 120..... | Psychology II | |
| Education 240 or 241..... | Pri. or Inter. Technic | |
| Education 243..... | Rural Technic | |
| Education 250 (Pri. or Inter.)..... | Student Teaching | |

| Second session ends..... | Friday, Aug. 26 |

Fall Quarter 1938

| | |
|-------------------------|-----------------------------------|
| Registration..... | Tuesday and Wednesday, Sept. 6, 7 |
| Class work begins..... | Thursday, Sept. 8 |
| Quarter ends, noon..... | Wednesday, Nov. 23 |

Moorhead State Teachers College is an official institution maintained by the state of Minnesota and fully accredited by the American Association of Teachers Colleges. Its graduates have been admitted to the graduate schools of many leading universities.

It offers the four-year college course leading to the degree, and the two-year course for elementary and rural teachers. The first two years of the degree course are organized on the junior college level and include standard college or university courses required for entrance to professional schools.

The College sponsors a complete athletic and physical education program which includes football, basketball, baseball, track, swimming, minor sports, coaching and directing. Opportunities are open to all students in music, dramatics, debate, and journalism. There are more than thirty religious, honorary, departmental, and social clubs and organizations, some with national affiliations and some local, for students.

The College operates on the quarter plan, with fall, winter, and spring terms. In addition there is a summer session staffed by regular faculty members. For information regarding dates of opening of any term, fees, rooms, and complete schedules of courses, address:
