Moorhead State University ALMA MATER

Where flows the ri—ver through prai—ries to the fro—zen north,
seekers of Truth built a place of light and li—ber—ty,
That from its por—tals their sons and daugh—ters might go forth,
Through—out the na—tion till the truth be spread that sets us free.
Hail, hail, Moor—head State to Thee with love and loy—al—ty.
We pass the torch from the past to the fu—ture bright.
Hail, hail, Al—ma Ma—ter, answ'—ring e—ver to our coun—try's call,

Academic Honors

Students who complete at least 96 credits at Moorhead State University as candidates for baccalaureate degrees may graduate with the following honors:

CUM LAUDE — representing a cumulative grade point average of 3.40 or better

MAGNA CUM LAUDE — representing a cumulative grade point average of 3.60 or better

SUMMA CUM LAUDE — representing a cumulative grade point average of 3.80 or better

Such honors are computed only from the cumulative grade point average earned at Moorhead State University.

Academic Attire

The caps and gowns worn at formal academic events in American colleges are the direct descendants of the everyday costumes worn in the universities of Medieval England when each school had its peculiar dress so that an Oxford student could be distinguished from a Cambridge student, or a divinity student from a layman. Because of the tremendous growth of American colleges, and the confusion that would result if each were to adopt a distinctive costume, the Intercollegiate Bureau of Academic Costume was organized. The Bureau has established a uniform code which over 700 institutions have adopted.

There are three types of gowns and three types of hoods for bachelors, masters, and doctors. The bachelor's gown has a long pointed sleeve whereas the master's gown has a long closed sleeve, square at the end. The doctor's gown is characterized by a voluminous bell-shaped sleeve with three velvet bars. The colors of the bars are usually the colors of the faculty which granted the degree, but may be black.

The hoods for all degrees are lined with silk in the official academic color or colors of the institution conferring the degree and have an edging or trim of velvet, the color of which indicates the academic discipline or faculty to which the degree pertains. The lining is exposed when the hood is worn. The bachelor's hood is not worn by candidates for the baccalaureate degree but only by those upon whom this degree has been previously conferred. The master's hood is considerably longer, has a wider velvet edging, and exposes more of the lining. The doctor's hood has wide panels at the side and is easily recognized since, of the three types of hoods, it has the widest velvet edging, greatest length, and fullest exposure of the lining.

The black mortarboard cap with tassel is worn with each type of gown. Those holding a doctor's degree are privileged to wear a gold tassel. Masters and bachelors wear tassels that are either black or of the color appropriate to the course in which they are being graduated.

Some of the colors which may be observed at this commencement and which symbolize various courses or faculties are as follows:

Arts and Letters — White
Business Administration — Brown
Education — Light Blue
Humanities — Scarlet
Law — Purple

Music — Pink
Philosophy — Blue
Science — Golden Yellow
Social Work — Citron
