SPRING 2015 COMMENCEMENT GUEST SPEAKERS

Emily Beck

B.A. Film Studies, Class of 2006

Emily fell in love with the movies at an early age and has followed that passion in her academic and professional pursuits. In 2006, she received her BA in Film Studies from MSUM. Emily's time at MSUM was highlighted not only by academic exploration and achievement, but also in the development of lifelong mentor relationships.

Her treasured memories of MSUM include participating in the Cinethusiasts Club, visiting The Eastman Kodak House, and studying at Oxford University through the remarkable Eurospring program.

Following graduation Emily worked as Assistant Manager of the Marcus West Acres Cinema. In 2008, Emily was hired as Film Programmer for the Fargo Theatre Management Corporation, a nonprofit organization responsible for operating an art house cinema, live event venue, and annual film festival. In 2011, she assumed leadership of the Fargo Theatre as Executive Director. In her time as ED, Emily has led a successful capital campaign for the theatre's transition to digital exhibition, participated in the United Way's "35 Under 35" women's leadership program, and served as a mentor for the Barry Foundation's "Philanthropy and Youth" program. Emily was extraordinarily proud to be selected as MSUM's 2013 Outstanding Young Alumni. In her personal time Emily enjoys writing, spoiling her niece and nephew, and traveling to London to visit friends.

Trustee Erma Vizenor

*Minnesota State Colleges and Universities Board of Trustees
& Office of the Chancellor*

Erma J. Vizenor was elected as Chairwoman of the White Earth Reservation in 2004 and is the first woman to lead the largest tribe in Minnesota. Previously, she was appointed Secretary/Treasurer in 1996 and then elected to the position in 1997. As Chairwoman she represents all districts both on and off the White Earth Reservation.

Erma has worked her entire career in education on the White Earth Reservation. She holds an undergraduate degree in Elementary Education, a master's degree in Guidance and Counseling, and a specialist degree in Education Administration from Minnesota State University Moorhead. A Bush Leadership fellowship gave Erma the opportunity to earn a master's degree in Community Decision-Making and Lifelong Learning and a doctoral degree in Administration, Planning, and Social Policy from Harvard University. Erma is committed to building a strong infrastructure within the White Earth Reservation, which is necessary in order to exercise sovereignty, self-governance, and service to the tribal citizens.

Erma has two daughters: Jody, a tribal coordinator for Minnesota State University Moorhead and Kristi, a pharmacist in Duluth. She is the proud grandmother of Addie, Bethany, Marina, and Cedar.

Gov. Mark Dayton appointed Vizenor to the Board of Trustees in 2014 for a six-year term, expiring June 30, 2020.

Majors and Minors

The Commencement Program lists all majors and minors which have been completed. If a student has completed two majors, the majors are separated by a comma (English, History); if a student has completed a major and a minor, the major and minor are separated by a semi-colon (English; History). If a student has earned a minor via the Tri-College University, the home institution is listed after the minor and placed in parentheses, i.e. French (Concordia).

Graduate Candidates

Candidates receiving graduate degrees are listed in the program. The listing also contains the title of their thesis or project and their faculty advisor. Each candidate that participates in the ceremony is wearing the appropriate master's or specialist hood. The color of the velvet edging on the hood represents the academic discipline and the silk lining (red and white) represents Minnesota State University Moorhead.

Academic Honors

Students who complete at least 60 credits at MSU Moorhead as candidates for baccalaureate degrees may graduate with the following honors:

CUM LAUDErepresenting a cumulative grade point average of 3.40 or higher

MAGNA CUM LAUDE.....representing a cumulative grade point average of 3.60 or higher

SUMMA CUM LAUDE.....representing a cumulative grade point average of 3.80 or higher

Such honors are computed from the cumulative grade point average earned in all courses at MSU Moorhead. The graduates who have earned these honors will have the achievement listed on their academic transcripts. The CUM LAUDE graduates wear white honor cords. The MAGNA CUM LAUDE graduates wear red honor cords. The SUMMA CUM LAUDE graduates wear red and white honor cords.

Honors Program Graduates

The MSU Moorhead Honors Program exists to award and encourage superior academic performance. Students who have earned a 3.50 grade point average during their freshman year are invited to participate in the Honors Program. Those who complete the rigorous Honors Program curricular requirements are listed in the Commencement Program and have the achievement listed on their academic transcripts.

Honor Societies

Alpha Kappa Delta seeks to acknowledge and promote excellence in the study of sociology, the research of social problems, and such other social and intellectual activities to help improve the human condition. Sociology students are nominated by MSUM professors for membership if they are an officially declared sociology major; at least a junior (third year) by standards; rank in the top 35% of their class in general scholarship or have at least a 3.3 overall GPA; have at least a 3.0 GPA in sociology courses prior to initiation; and have completed at least four regular sociology courses. Students are inducted into the society each spring.

Alpha Phi Sigma is a National Criminal Justice Honor Society. APS recognizes academic excellence of undergraduate criminal justice majors who maintain a GPA of 3.5 or above, nominated by faculty, and in the top 35% of their class. The goals of Alpha Phi Sigma are to honor and promote academic excellence, community service, educational leadership and unity.

Alpha Upsilon Alpha, the honor society of the International Reading Association, was created in 1985 to recognize and encourage scholarship, the development of personal and professional leadership, and service to the field of reading at both the undergraduate and graduate levels.

The Greek letters chosen for this honor society are significant: They come from the words *Anagnosis* (reading), *Uprotrophia* (scholarship) and *Archon* (leadership). The society motto, which is attributed to Horace, says it all: "*Lege sapere aude,*" or "Read, dare to be wise."

Members are acknowledged for having excelled in their chosen field of study, and are recognized as professionals committed to the importance of reading and language arts in education.

Academic Attire

The caps and gowns worn at formal academic events in American colleges are the direct descendants of the everyday costumes worn in the universities of Medieval England when each school had its peculiar dress so that an Oxford student could be distinguished from a Cambridge student. Because of the tremendous growth of American colleges, and the confusion that would result if each were to adopt a distinctive costume, the Intercollegiate Bureau of Academic Costume was organized. The Bureau has established a uniform code that over 700 institutions have adopted.

There are three types of gowns and three types of hoods for bachelors, masters, and doctors. The bachelors gown has a long pointed sleeve, whereas the masters gown has a long closed sleeve, square at the end. The doctors gown is characterized by a voluminous bell-shaped sleeve with three velvet bars.

The hoods for all degrees are lined with silk in the official academic color or colors of the institution conferring the degree and have an edging or trim of velvet, the color of which indicates the academic discipline or faculty to which the degree pertains. The bachelors hood is not worn by candidates for the baccalaureate degree but only by those upon whom this degree has been previously conferred. The masters hood is considerably longer, has a wider velvet edging, and exposes more of the lining. The doctors hood has wide panels at the side. It has the widest velvet edging, greatest length, and fullest exposure of the lining.

The black mortarboard cap with tassel is worn with each type of gown. Those holding a doctor’s degree are privileged to wear a gold tassel. Masters and bachelors wear tassels that are either black or of the color appropriate to the academic discipline in which they are graduating.

Some of the colors which may be observed at this commencement and which symbolize various faculties are as follows:

Arts and Humanities	White
Business Administration	Light Brown
Education	Light Blue
Fine Arts	Dark Brown
Law	Purple
Music.....	Pink
Nursing	Apricot
Philosophy.....	Dark Blue
Public Administration	Peacock Blue
Science	Golden Yellow
Social Work.....	Citron

University Seal

Minnesota State University Moorhead's Seal represents its history, mission, and distinctive characteristics. It is reserved for official and ceremonial use. In the University's early history, Old Main was the largest and most impressive building in the area. A fire in 1930 destroyed most of the school's main building, except the arches of Old Main. Those arches became a significant symbol of the school's ability to survive and were incorporated into the University Seal.

University Mace

The University President or her designee carries this staff in ceremonial processions to symbolize the University's authority. Lyle Laske, Professor of Art Emeritus, crafted the staff for the University. The staff is sculpted from Brazilian rosewood, rubbed and polished to a deep luster. Its tips are cast in bronze and gold plated. The top piece on the staff, also in rosewood, is shaped in a universal form that symbolizes the medieval northern world. The staff rests in a base that is a solid, circular piece of rosewood. The staff was presented to President Roland Dille in 1978.

Presidential Medallion

The Presidential Medallion serves as a sign of the educational mission of Minnesota State University Moorhead. The President's commitment to the University's purposes is renewed in each solemn academic function, when it is appropriate to wear the medallion and be recharged by its symbols.

College Marshals

The College Marshals are senior faculty representing their colleges.
