(This was tabled at the 2/14/95 meeting)

Bakke moved. Pemble seconded to remove the Economics major with two concentrations from the table for approval.

This was tabled at the 2/14/95 APAC meeting because the committee asked the department to submit a quarter to semester comparison on a course conversion worksheet for the new Business Economics concentration. Motion carried unanimously

Pemble moved to table this until departments have an opportunity to review the recommendation.

The internship agreement should be kept on file in a central office. Academic department? Academic Affairs?

Possibly a system policy should be implemented. (This topic will be discussed at the 2/28/95 Vice Presidents meeting.)
On-site evaluations and options available when evaluating long-distance internships.
