Four Vie For Queen

Four girls will compete for the title of 1956 Homecoming Queen and to reign over the Dragon's Homecoming festivities. The four girls are sponsored by their sororities.

Four Candidates

Frances Berkley, the Beta Chi candidate, is a senior from Fargo. Along with minors in music and recreation, she is majoring in physical education. Fran is the Homecoming co-chairman for this year. She also served on the Student Commission 1955-56 and is a past president of her sorority. Other contributions to campus life were made through the Pep Club, Major-Minors, WAA, choir, Euterpe, and as a cheer leader 1953-54. Sharon Chinn and Delores Godyear are Fran's campaign managers.

Nancy Johnson, a sophomore from Halstad is the Gamma Nu sorority candidate. She is majoring in English and minoring in speech. Nancy's contributions to college include being president of Young Republicans, vice-president of WDA, and secretary of the sophomore class. She is also active in band, choir, debate, and Euterpe. Nancy's campaign manager is Marvel Froemming.

Laura Olich is a Moorhead girl sponsored by the Pi Mu Phi Sorority.

She is a sophomore working towards a physical education major and a minor in history. This summer Laura was Northwest water Carnival Queen and attended the Minneapolis Aquatennial. The organizations Laura has belonged to include Pi Mu Phi sorority, off-campus women, WAA, LSA, Pep Club, and a language club. Laura's campaign managers are Joan Baugh and Joan Hallett.

Lorraine Vogel, a junior from Cando, North Dakota, is sponsored by the Psi Delta Kappa Sorority. Lorraine is working towards her elementary degree. Besides being secretary of her sorority she was also secretary of WDA, treasurer of the Wesley foundation, and president of Euterpe. Other campus activities include YWCA, and choir. Lorraine's campaign managers are Glennis Hagen and Marlys Nordstrom.

Race Opens Fourth

Campaigning will begin officially at 8 a.m. Thursday, October 4 and will continue through Monday, October 8 at 4 p.m.

Polls will open Tuesday, October 9 at 8 a.m. and balloting will continue until 1 p.m. of that same day.

After the coronation ceremony at 8 p.m., October 12, in Weld Hall, the new queen will reign over the festivities scheduled for Saturday, October 13. These festivities will include the joint parade with Concordia at 10 a.m., the MSTC-Mankato TC football game at 2 p.m., and the Homecoming dance which will take place in the large gymnasium from 9 until one o'clock.

"Autumn Highlights" is the theme chosen for the Homecoming dance, and the gym will be decorated in appropriate shades of brown and yellow. Joan Fowler and Neil Sussenguth, co-chairmen of the dance, have engaged Rod Aaberg and his 14 piece band

Gov. Freeman Speaks Here

Minnesota's governor, Orville Freeman, will be on campus next Thursday, October 4, to speak before the year's first all-college convocation program. President A. L. Knoblauch will introduce the governor at 11:00 a.m. when all classes will be excused.

Sponsored by the social studies department, this speech is the first half of a program to make the facilities of the college available to both candidates for Minnesota governor in this fall's election. Republican candidate Anchor Nelson is expected to address a future convocation. The date has not yet been arranged.

Governor Freeman will speak at Concordia immediately before coming here, and at noon the same day he will address a joint meeting of the Moorhead Service clubs. Both of these speeches will be non-political but he will deliver a political address here.

Thursday's convocation will mark the first time in seven years that a Minnesota governor has spoken on campus. In 1949 Governor Youngdahl addressed an STC audience.

Lewis Elected By Masquers

Dragon Masquers held their first fall meeting this week where election of officers took place. New officers are Joanne Lewis, president; Richard Bennett, vice-president; and Bette Reyes, secretary-treasurer.

Plans for an all-college talent show during Homecoming festivities are under way. Anna Varriano, Rae Iverson, and Ronald White are the committee in charge of arrangements. Anyone interested in participating is asked to contact one of these people.

Wednesday, October 17, was set to initiate students who have met membership requirements.

from the University of Minnesota to provide the music.

Co-parade Planned

Students of STC and Concordia College will march together in a joint homecoming parade this year. Since dates for homecoming activities co-incide, the joint event was necessary.

For the past two weeks STC and Concordia student committees have been working on plans for a co-parade, which will be on Saturday, October 13. The parades will form at 10th street and second avenue.

With STC first and Concordia following, the parade will start at 10 A.M., marching down Center Avenue and passing the reviewing stand in front of W. W. Wallwork's. On the reviewing stand will be two sets of judges, one for each college. All floats will be clearly designated as belonging to STC or Concordia.

While STC students finish their parade in Moorhead, Concordia marchers will continue over the Center Avenue bridge to march on the main streets of Fargo.

This year's effort marks the first time such an event has been scheduled in co-operation between the two colleges.

STC Campus Radio Broadcasts Monday

KMSC officials and staff members have been working all week and last week-end on the KMSC studios and everything will be ready to go Monday the first of October. KMSC for the present will be on 1300 but later will be changed to 1110.

The program is almost entirely complete except for a few openings on Sunday's program, which runs from 1 p.m. to 1 a.m. KMSC will feature mostly popular music on week nights with a daily news cast and sports programs. The radio station will run from 7 p.m. to 1 a.m.

KMSC has added a new transmitter to their equipment. The transmitter when fully equipped will cover about an eight block radius of the studios in Ballard Hall. This is expected to increase the number of STC listeners by a great number.

Almost all the shows this year will be transmitted by the DJ himself. Last year almost all the DJ's had their own engineers.

A new program will be on the air every Thursday from 8:30 to 9:00. This program will include interviews of the faculty as well as students and will also give the complete summary

Art Association Sets Annual Conference

"Motivation, Activity, and Evaluation of Art" has been chosen as the theme for the Minnesota Art Education Association's annual fall conference, to be held at STC, October 5 and 6.

Registration is scheduled for Friday, October 5, from 9:00 to 12:00 a.m. in the art room of MacLean Hall.

Following a visit to the art rooms of the Campus School, and observation of Campus School classrooms in action, an informal gathering for coffee and tea will be held from 3:30-5:00 p.m. in the home of Nels Johnson.

A steak dinner is being served at 6:30 Friday evening, in the Rex Cafe. Following the dinner an unusual program has been arranged in the person of Cy Running, chairman of the art department at Concordia College. Mr. Running, who spent last year studying paintings in Mexico, will show paintings and slides of his trip.

After a greeting at 9:45, by the conference president, Arthur E. Smith,

a series of discussions will be held by a group of Moorhead teachers who have had success in teaching art in the grades. Each will present an interesting or successful motivation they have used.

A short business meeting will be held following the luncheon in the school cafeteria, with Arthur E. Smith presiding.

The conference will close following a discussion from 2:00 until 3:30 on the question of "Evaluation?" A selected group has been chosen for this discussion; however, this program will make possible audience participation to bring out various opinions — pros and cons — on this subject.

The local committee in charge of the program includes Dr. Nels Johnson, chairman, Marcel Stratton, Mrs. Helen Scheer, and Richard Wicklund, all of the STC art department staff. Allan Hanson and Curtis Hahn, art consultants of the Moorhead Public Schools, are also serving on the committee.

P. 1 Comment

For the first time in the history of the two schools, Concordia College and the State Teachers College, Moorhead, will co-operate in planning a joint homecoming parade on Saturday, October 13.

This is a welcome announcement and typifies the sort of spirit that could be put into effect in a number of areas. Just this week the STC Student Commission discussed the possibility of co-operation between the schools in the matter of admission to Lyceum and student activity programs.

A representative is being sent to Concordia to attempt to work out an arrangement by which STC students can be admitted free of charge to Concordia programs. STC will reciprocate by setting up a similar arrangements in college programs here.

The spirit of joint effort that a co-operative venture such as this year's homecoming parade should preclude the wanton paint splashing and destruction that has characterized homecomings between the two colleges during the past years.

There is no logical reason why our rivalry with our neighboring schools should be so bitter as it has. Few STC students sincerely feel the intense hatred toward Concordia that tradition requires of them. Surely a more adult attitude would eliminate much of the difficulty that exists between us and would permit the student bodies of both schools to benefit.

If this co-ordination of homecoming parades can lead to an overall spirit of co-operation, we can certainly live more peacefully and more pleasantly as neighbors, not as enemies lined up across a cemetery.

STCnic

● ● ● PRESIDENT A. L. KNOBLAUCH WILL SPEAK next Thursday, October 4, at a joint dinner of the teachers and the Rotary Club of Breckenridge. He will travel to Valley City the following Wednesday to open the United Fund Drive at 8:00 a.m. That evening the president will speak to the County Teachers Association in Breckenridge.

● ● ● We are not yet sure whether we have violated something sacrosanct. So far only four students of the 833 have complained about our dropping the M before STC. If you are dissatisfied, we would like to hear from you.

The Mailbag is a student forum. We will print as many letters as we can squeeze in. But be sure that you sign them. At your request, we won't print your name.

● ● ● DO YOU HAVE LITERARY TALENT? We plan to print original short stories, poetry, feature articles, and the like. We would like to see your work. Address it to the Editor.

● ● ● LAST YEAR'S GRADUATES HAVE RECEIVED PLACEMENT in a number of Minnesota towns and in several 'foreign' states. For a complete list of schools in which 1956 graduates teach, see page 4.

● ● ● WANTED: ACTS FOR TALENT SHOW. Dragon Masquers will again this year sponsor a talent show in connection with Homecoming festivities. The talent show will be held Wednesday, October 10, at 8:00 p.m. in Weld Auditorium. Anyone interested in participating is asked to contact Anna Varriano by Monday noon, October 1 — that's next Monday. Your act need not be ready, but please let us know if you are interested.

Students Miss Much By Ignoring Activities

Members of the Student Commission have been discussing the problem of freshmen who fail to wear their beanies. It seems as if our new frosh are falling into line with the rest of our student body — into an apathetic indifference toward college traditions and college activities.

Anyone at last Saturday's football game knows what we mean. A miserably small crowd saw one of the most exciting games STC fans have seen in a long time. It was a very enthusiastic group, but we wondered where everyone was.

We realize that not every student is a football fan, and far be it from us to exhort everyone to attend a game in which they have no interest. However, the same situation exists at every activity sponsored by the college or by any of the many organizations operating on campus.

There are a great many people here who are never seen outside of classrooms, dormitories, and the cafeteria. "Securing an education" is a fine thing, but there is much more to an education than merely memorizing texts.

We feel that these people are missing a part of college life, and that by remaining aloof from the group they run the risk of becoming social hermits. While we do not advocate "gun-decking" studies for social and organizational activity, we are sure that there are some activities on this campus which would appeal to everyone.

The artists course series begin on October 11. Some of the finest musical and dramatic talent in the United States appear on the stage right here at Weld Hall. Political clubs, dramatic activities, musical programs, journalism, intramural athletic events, educational organizations, and departmental groups of every kind offer a wide variety of extra-curricular experience that can be of value in the future life of each of us.

In addition, STC holds numerous social events, designed to afford the opportunity for relaxation from the pressure of school work. To get to know people and to learn how to meet people is an imperative quality for prospective teachers. We should not overlook this part of our college life, which can be useful to us and can offer us much-needed relaxation.

While we would hardly suggest that student abandon their parents, we submit the busy, exciting STC campus. Try staying around some week-ends; see what we have to offer. The extra-curricular portion of your college life can become the most interesting and the most memorable part of college.

In the mailbag

September 21, 1956

Mr. Editor,

As a student of MSTC, I would like to place my objection to your calling this college STC. It is incomplete, leaving the student with the feeling that he is just another student of another teachers college in the United States.

This is our college and we want it to be called as such. So we feel that MSTC should be fully acknowledged.

I hope that in all future editions of the Western MISTIC our college will be called MSTC.

Respectfully yours,

Neil Sussenguth
Whitey Olson

What's In A Name?

New STC Directory Features Johnsons, Andersons, Nelsons

by Marilyn Dahlen

"What's in a name? That which we call by any other name would smell as sweet—"

Despite what Shakespeare said, the college bookstore publishes a directory of names (rather than a horticultural catalog) each year for convenience of students, faculty, and staff members. Issued to all collegians free, the directory may also be available for 50 cents a copy — if that is available. Actually, costs for the publication come close to \$300.

Appropriating the spending of Bookstore funds are three faculty members and three students who comprise the Bookstore Board. Serving on the board at present are Don Anderson, Dr. Catherine Cater, Mrs. Virginia Grantham, Tony Ludwig, JoAnn Sater, and Frank Schultz.

You may be disappointed that STC has no Joneses to "keep up with," only one Brown and two Smiths. However, there are 23 Johnsons, 14 And-

ersons, 13 Nelsons, 13 Olsons, and 10 Larsons. These seem to show up the ancestral heritage of this immediate area. Next in order were Ericksons, Carlsons, Petersons, Jensens and Hagens.

Readers don't ordinarily pour over lists of names, perhaps, but did you realize that there are a few "doubles" in school? No doubt Milton F. Herick of Moorhead will frequently get mail that belongs to Milton F. Herick of Breckenridge. Anna Marie Johnson of Ashby and Anna Marie Johnson of Hawley will probably have difficulty if they are in any classes together. Similarly, there are two Richard Johnsons; they perhaps will be distinguished by their middle names as the upperclass Shirley Olson duo has done in previous years.

Completing the feature-oddities in the new directory are three Robertson brothers from Barry and three Gunnarsons from Twin Valley.

The sponsors of the directory would probably have this commercial: "Your patronage is appreciated, so stop in." What they really mean, however, is "Listen, we've given you the equivalent of a little black book for free and what do we get? Probably "another day older and deeper in debt!"

Seven Enter Queen Race

Queens were in the news this past week as three TC co-eds received recognition in the Sugar Beet Days queen contest, which was held in Moorhead last weekend.

Laura Olich, who was Miss Sugar Beet Days during the past year, crowned her successor Saturday evening at the Moorhead Armory, but she still reigns. Laura is also Miss North-west.

Anna Varriano, homecoming queen for 1955-56, was runner-up in the contest while Frances Kimura's Hawaiian charm won her the title of Miss Congeniality.

Patterned after the Miss America contest, the two day event included luncheons, interviews, a talent contest and a parade.

Also competing in the contest were Carla Marie Carlson, Darlene Larson, Joyce Jensen, Marcia Martin, and Marlys Holm, from STC.

New Queen of Sugar Beet Days is Pat Remley of Moorhead.

Commission Minutes

The Student Commission meeting of September 24 was called to order at 6:40 p.m. by President Frank Leidenfrost in the Commission room. Those present were Mrs. Grantham, Jo Sater, Delsie Charais, Joan Fowler, Connie Battreall, Bette Reyes, June Johnson, Jim Aageson, John Moriarty, and Ralph Burke.

The minutes of the last meeting were read and approved.

A report was given by the commissioners who met last Thursday with the representatives from Concordia. It was decided that two students from Concordia and MS will go to the other campus for purposes of guarding the campuses during Homecoming. Also discussed was the idea of setting up a standing committee of students from both schools for purpose of discussing admission prices to the other school's lyceum programs, etc.

Connie moved and Joan seconded a motion to set up such a committee. It was carried.

Possibilities of a tri-school Easter concert were discussed.

It was decided that Frank should check organizations, in alphabetical order, to determine possible duplication of ideas for Homecoming floats.

John asked permission for the Phi Mu Alpha Sinfonia fraternity to have concession stands at all lyceums in Weld, with the exception of programs sponsored by campus organizations who run their own concessions. It was decided to publish this request twice before the Commission votes on it.

Joan reported that students have asked that the Commission consider purchase of a hi-fi phonograph for campus social events. It was decided to inquire how much trade-in we could get for our present phonographs.

The meeting was adjourned.

Respectfully submitted,
June Johnson, secy.

THE BLARNEY STONE

by Dick Bennett

She: I wouldn't marry you if you were the last man in the world.

He: If I was the last man on earth I wouldn't have to.

She: What makes you think that this is a night for wild oats?

He: Your eyes have told me so!

Two Indian bucks: Read any good smoke signals lately?

"Anxious Spinster" writes us concerning a recurring dream of running while a tall, dark and handsome man chases her. We'd suggest that she chain-herself to the bed some night and then wait to see what would happen.

At a recent house party when Bobbie backed Sugarlips Suzie into the pantry for a little fast necking, he sure caught hell from her father. Seems that he was already in there with the maid.

Teacher: Sammy, do you have any trouble hearing?

Sammy: No, ma'am; just listening.

Nancy Johnson Chosen Prexy Of Young Republican Club

The Young Republicans met in the Student Center Monday night to plan and discuss projects for the coming year.

Election of officers was held with Nancy Johnson elected president. Nancy is a sophomore from Halstad, Minnesota.

Other officers for the year are Sharon Hodne, vice president; Ron Olson, secretary-treasurer; and Pauline Schultz, publicity chairman.

Future meetings are to be held the first and third Mondays of each month. The Student Center will be the meeting place with the time set at 6:30 p.m.

Plans were made for the straw vote in conjunction with YDFL, for the faculty and students alike. This will take place on Monday, October 22.

Badtke At Ashram

LSA

A great deal of fun and food was had by all who attended the LSA's progressive dinner last Sunday. Afterwards, a short film was shown at the house.

Garnet Badtke helped the LSA relive her trip to Ashram last night by telling of all her experiences there. Ashram was held August 25 to 31.

"Christ, a Consuming Passion" will be the topic discussed by Mrs. Hauge Sunday, September 30 at 9:00 p.m. schools are Joanne Aktenbernd,

all day in the Post Office area.

A discussion took place for a possible decorated car in the homecoming parade. Also under discussion were possibilities for assisting the local Republican publication committee during the presidential election, November 6.

Refreshments were served at the close of the meeting.

Drama Fraternity Elects Rae Iverson

Rae Iverson was elected president of the Alpha Psi Omega, national honorary dramatic fraternity, at a meeting held last week. Also elected were Sandy DiBrito, vice-president; and Joanne Lewis, secretary-treasurer.

Students who have completed requirements necessary for membership were discussed and voted upon. Invitations were sent to Joan Fowler, Norma Hornbacher, Rowland Oyen, Anna Varriano, Patricia Griffin, and Dick Bennett.

An informal meeting was held yesterday to explain initiation requirements and fees. Formal initiation is planned for October 18.

The Editor Speaks

SPORTS NOTES

by Dave Montplaisir

For the first time since 1953 the American League will send a healthy representative to the World Series. In 1954 the Cleveland Indians had only Vic Wertz healthy, and the 1955 World Series would have been a different story if Mickey Mantle had been able to play. Yankee Manager Casey Stengel is going to start south-paw Whitey Ford in the first game of the World Series next Wednesday. While the National League has not yet determined who will be its representative, the Yankees have to remain a favorite to win in less than six games.

The Moorhead Spuds made a valiant bid for recognition last Friday night on the STC football field when they held the highly rated Fergus Falls Otters to a 13 to 6 victory. The Spuds scored first in the second quarter and held the Otters until the forth quarter when they scored two touchdowns.

STC high's defending co-champions will be seeking their third victory in a row against untested Felton Friday at Felton in the Little Valley Conference. The Baby Dragons won their second game by defeating Lake Park 26 to 6 last Friday.

The longest football winning string in the area belongs to Hope, North Dakota. Hope recently won its 34th game in a row in non-conference six-man football game.

Allen (Red) Kertscher, co-captain and halfback of the Detroit Lakes High School football team, suffered a separated left shoulder during practice and may be out the remainder of the season. Kertscher is a brother of Les Kertscher, STC senior and former member of the Dragon wrestling team.

Concordia won its first game in the MIAC. The Cobbers defeated Duluth Branch 21 to 0 last Saturday.

Someone pulled a Boner last weekend in scheduling the broadcasting of football games. Two of the local

radio stations both broadcasted the same game. It would seem that instead of cutting each others throats, they might have covered the other local football game.

This area's representative in the world tournament of softball was eliminated by Seattle, 14 to 7. New Bar of St. Paul had been previously defeated by Mexico 3 to 2.

GLENN ANDERSON is knocked out of bounds by three Aberdeen players in the third period of Saturday night's game. Just one yard short of a TD, Anderson went over for the second-Dragon score on the next play. Photo by Hub Zervas.

Girls' Volleyball Competition Gets Underway Next Week

Girls intramural volleyball will get underway next week. Girls wishing to participate in this activity are asked to get a team organized and hand in a roster and team name to volleyball co-captains, Jo Sater and Laurie Goodyear.

Volleyball tournament games will be played on Thursdays at four and Monday nights. Anyone wishing further information may get in touch with any WAA member.

The Womens Athletic Association held its annual Fun Party Monday evening, September 24, in the big gym.

The entertainment began with a tumbling exhibition and trampoline demonstration by Betty Reyes, Joanne

Bowing for the second straight time this year, STC was defeated by Northern State Teachers College of Aberdeen, South Dakota on the Dragon home field, Saturday, September 22.

In the first quarter, Bill Bohn of STC plunged through the Northern line for the first touchdown of the game. The conversion attempt failed,

and the Dragons led 6 to 0 at the end of first quarter.

However, from that point on, it was Northern who had things pretty much their own way with Al Johnson tying up the score in the second period. Northern power plays and eight first downs to STC's two proved the deciding factor in the first half.

The second half saw STC on the move taking advantage of a fumble by Northern. Glenn Anderson scored in the third period from the one yard line, and the extra point try was good.

Northern Teachers rallied again and tallied on a forty nine yard scamper by senior fullback Al Johnson. This put them ahead 14 to 13, and they held that margin for the remainder of the game.

STC had another chance when Northern fumbled in the last quarter,

but a fumble of their own on Northern's seven yard line gave the South Dakotans a 14-13 victory.

STATISTICS		Moorhead	Aberdeen		
First downs		11	12

Johnson's Jets Lead In Intramural Play

Top team on the touch football totem pole is Gordy Johnson's Jets with a 2-0 record. Monday the Jets defeated the Polynesians 20 to 14.

Upset of the night was when the Dawgs, sparked by the passing of Bruce Douglas and receiving of Don Dulski and John Thompson, defeated the Klowns 20 to 14. This leaves the Klowns with a 1 and 1 record while the Dawgs chalk up one in the win column. The Bucks did not play Monday but suffered a loss Thursday night giving them a 1 loss record. Cellar dwellers right now are the Polynesians with two losses against no wins.

Intramural tennis is underway though several people have not finished the first round of playoffs. If the singles can be finished before the

snow flies, a doubles tournament will be started and will be run in the same manner.

Men's Dormitory Contains Facilities For Work & Play

Ballard Hall houses many activities and facilities for the student's convenience.

The male students on campus should realize the worth of their dormitory. Here are things to do, ranging from washing and ironing their clothes to watching TV and dancing.

In the west end of Ballard basement is a complete laundry room for the students' use. It includes two automatic washers, two dryers, and an ironer.

Informal dancing can be held in the recreation room. The rec room has coke, candy, and cigarette machines, a jukebox, a radio-phonograph, and later on will have a student operated snack shack.

Upstairs in the main lounge there are a TV set and a radio for students and guests to use.

Ballard Hall residents should get to know their dormitory.

Pep Club Gives Dances

The Pep Club has been busy raising money so they can take buses to football and basketball games away from home.

They sponsored a dance in the gymnasium after the MS - Northern Teachers game last Saturday night. A tentative plan has been made to hold dances after each home game.

Membership into Pep Club is not limited. Anyone desiring to be a member of this organization, boys included, are asked to attend the next meeting.

Dragons Face St. Cloud In First Conference Game

Saturday the STC Dragons go after their first win of the year against St. Cloud Teachers at St. Cloud in the conference opener for both teams.

St. Cloud, while not as big as Northern Teachers, is faster and tougher and will probably give a very good fight. St. Cloud has a good returning nucleus with 38 men from last year's squad back. The opinion of the various scouting reports is that while they have the potential, they

have not as yet quite materialized.

Under their new coach, St. Cloud runs most of their plays in a power T from a split line with a little single wing. St. Cloud has a couple of pretty good passers with a good pass receiver. In Kosel St. Cloud has an outstanding quarterback who can pass, run, and kick. Last Saturday against Michigan Tech, Kosel kicked a field goal from his own 45-yard line to help St. Cloud win 16 to 12.

'56 Graduates Take Positions In Schools Throughout Nation

The State Teachers College placement office announces the complete list of positions accepted by 1956 graduates of the college. Last year's graduates have been placed in fifty-two Minnesota communities and in schools in eight other states.

Nine 1956 graduates are teaching in some of our local schools. Those teaching in Moorhead are Mildred Bjornstad, Barbara LaSalle, Ardis Lundell, Shirley Motchenbacher, and Cora Olson. In neighboring Fargo schools are Joyce Froyland, Anita Franea, and Robert Hartkopf. Marjorie Hawkins and Carl Jones are situated in West Fargo.

Some of our grads have chosen to get away from the local communities. Leora Baatz is presently teaching in Rialto, California. On the opposite side of the country is LuVerne Krause in Key West, Florida. Helen Johnson is in Watertown, South Dakota; while Doris Melcher is teaching in Tucson, Arizona. Richard Olsen is in Las Vegas, Nevada; JoAnne Schlieman is in Wahpatow, Washington.

Robert Utke has taken a position with the State Teachers College in Terre Haute, Indiana. John Green is in Research Assistantship at NDAC.

Six students that graduated in '56 are in Appleton. They are Arthur

Chard, Don Holm, Charles Luna, Marlys Olson, Marlow Pfaff, and Bonnie Wee. Donna Broe, Clara Fertig, Vivian Floberg, Nancy Granger, Lew Johnson, Mary Kuppich, Ruth Pikop, Bruce Reski, Helen Rud, and Joyce Taalerud, are all practicing their profession in Thief River Falls.

Morris has received three of our recent grads, Lavonne Berg, June Vipond, and Barbara Ellison. Donald Hamerlinck, Eileen Renslow, Carol Sandberg, and Wallace Sellseth are all teaching in Wadena.

Our neighboring state of North Dakota has received a few of our alums. Some of these grads and their placements are Charles Dunnweber, Sheyenne; Vernon Kuhn, Pembina; James Mittum, Lidgerwood; Morris Nystrom, Christine; Don Rost, Christine; Inez Toppila, Milton; Donald Smith, Zap; and William Zimmer, Harvey.

Two of our male graduates are now in the service; these boys are Ralph Bjorgaard, and Rolland Fox. Birdell Randorf is teaching in an Armed Forces school in Germany.

Marie Bess, Shirley Dammann, Eileen Fillman, Ronald Thompson, and Theonilla Troumbly are teaching in the Crookston schools. New Dilworth teachers from STC are Faye

Waller, and Donald Thompson. Margaret Starkey and Gordon Aas have taken positions in Perham.

Fertile claims four of our grads of this past year. They are Grace Askew, Beverly Bunes, Philip Kiltie, and Rodney Mapes. Ray Kavanagh, Una Orud, and Harriet Preuss are teachers in the Roseau school system. Sonja Strehlo, Mildred Duwenhoegger, and Donald Miller are teaching in Glenwood. Gloria Eia, Richard Annis, and Mahala Brantingham are teaching in Kennedy. Kathryn Davidson and Harriet Dohrer are in Bloomington, Minnesota.

Lulu Olson and Ruth Kiono are employed in Hancock. Teaching in Hallock are Lillian Kempf and Janice Adkins Rudisill. Charles Knickerbocker and James Harry Peterson are teaching in Red Lake; Kenneth Larsen is in Red Lake Falls. Joan Fett Jones and Darlene Hoglin are new in the Pelican Rapids school system. Shirley Montplaisir and Jean Evenson are now teaching in Hawley.

The remaining STC graduates chose solo positions to begin their teaching careers. These students and their new schools are Joanne Altenberud, Barnesville; Dianne Anderson, Wheaton; Glenna Anderson, Lake Park; Barbara Caghey, Breckenridge; Ellen Child, Montevideo; Barbara Eckles, Dawson; Kenneth Garland, Ortonville; Alvin Hagen, Kerkhoven; Richard Hermes, Staples; Darrel Hesby, Plummer; Erna Hoseth, Detroit Lakes; Norma Hoving, Benson; Gay Johnson, Browns Valley; Eugene Klemp, Madison; and De Wayne Kurpius, Henning.

More former students teaching in Minnesota schools are Minerva Krieger, Karlstad; Glory Lemke, Wayzata; Richard Miller, Hector; Ronald Oliphant, Herman; James Olson, Starbuck; Marvin Olson, St. Louis Park; Joseph Oistad, Hitterdal; Orpha Overlid, Greenbush; Merla Pansch, Luverne; George Pearson, Clearbrook; Larry Plonty, Delavan; Allen Pope, Marietta; Donald Peterson, Rothsay; Ronald Steen, Battle Lake; Ronald Thorson, Lake Bronson; Donald Torgerson, Ada; Romaine Weigand, Elbow Lake; and Opal Wilschewski, Little Falls.

Around The Great Circle

Betas invite alumnae . . .

A special news letter was sent to our alums to inform them of our activities and also inviting them back for Homecoming. Those assisting on the letter were Mrs. Page, Audrey De Mars, Sharon Chinn, and Darlene Goodyear.

Carol Vennerstrom was named chairman of the decoration committee for the Homecoming Luncheon.

Mark 25th anniversary . .

Psi Delta Kappa sorority's homecoming luncheon is set for noon, October 13, at the Tree Top Room of the Fredrick Martin Hotel. For the Psi Deltas, homecoming 1956, will also be a twenty-fifth anniversary celebration. Many alums of the group are expected to return for the double occasion.

Work is being done and committee chairmen for homecoming have been named. These are float, Marlys Nordstrom; program, Delayne Reidberger; reservations, Cathy Cederberg; and decorations, Susan and Sharon Jacobsen.

Belated wishes are extended to Mr. and Mrs. Charles Schumacher. Mrs. Schumacher (the former Lorene Hohnberg) is a Psi Delt member.

Pi's install adviser . . .

The Rex Patio will be the place Pi Mu Phi alums and actives gather for their homecoming luncheon. The girls are now working on the homecoming campaign and their float for the parade.

Mrs. Kathleen Nelson, physical education instructor, is the Pi's new advisor. Installation for her will be at four o'clock, September 30.

Vera Jean Way was installed as new secretary of the group last week. Cherry Johnson and Marlene Miller are the new historians.

Gams plan activities . . .

Gama Nu members are carrying out plans for their float, homecoming campaign, and homecoming luncheon. This luncheon will be held in the Colonial Room of the Gardner Hotel. Alum invitations have been sent out. Float committees and chairmen have been appointed; work meetings are being held.

Gams were entertained at a picnic

in Lindenwood Park, September 18, by the AE fraternity.

Attends press seminar . .

Dr. William Gillis, journalism instructor at STC, attended a press-radio-TV Seminar on September 24, at Hamline University, St. Paul.

The meeting, made up of delegates from all Minnesota colleges, was jointly sponsored by the Association of Minnesota Colleges and the Minnesota chapter of the Public Relations Society of America.

Addicott heads panel . . .

Harold B. Addicott, head of STC geography courses, will be a panel moderator at the fall meeting of the Minnesota Conservation Education Conference which takes place today, on the St. Paul Campus of the University of Minnesota.

In the morning Mr. Addicott will be a member of the panel discussing project of the organization, and in the afternoon he will lead the panel concerned with teacher preparation for conservation education.

Librarians at meeting . . .

Miss Karen Kivi, State Teachers College librarian, and Miss Dorothy Jefferson, STC campus school librarian will attend the sixty-first annual Minnesota Library Association meeting on Sept. 27, 28, and 29.

The main speaker at the conference will be Dr. Dora V. Smith. Her subject will be "A Forward Look for Minnesota Librarians." Minnesota authors as well as librarians will attend, and there will be discussion of Minnesota books.

Informal tea held . . .

An informal tea is planned on Friday by the two o'clock section of Miss Grace Gregerson's Personal Growth class as one of its first class projects. John Eskelson is general chairman of the event. Committee heads are Aggie Stanczyk, refreshments; Dick Adams, arrangements; and Bill Adams, invitations.

Honorary Education Frat Discusses Pledge Membership

The Gamma Gamma chapter of the national educational fraternity on campus, Kappa Delta Pi, held its first meeting Wednesday, Sept. 19.

Membership into Kappa Delta Pi is limited to students with nine credits in education courses, and maintain-

ing a 2.0 or average better.

One of the main projects of the Gamma Gamma chapter this year is to pass an amendment to the constitution which would allow membership to students as pledges.

To qualify for admission under this plan a student would be required to have one education course in residence with a "B" grade or better. He would be required to hold a cumulative ratio of 2.0 or better in other classes, and have a worthy personal background with evident interest in the school and in education.

President Delores Goodyear said, "Our fraternity would benefit from taking in pledges as sophomores rather than only active members as juniors or seniors. For one thing they would be in the organization for a longer period of time. This way they would become more familiar with its functions, could receive more benefits from the group, and could contribute more."

Ursin Represents STC At IA Meet

Dr. Otto Ursin will represent the STC industrial arts department at a convention of the Minnesota Industrial Arts Association September 29. The convention will be held in Stewart Hall on the St. Cloud TC campus.

Discussion on four areas will take place. The four points are (1) the vocation workshops for industrial arts teachers (2) Minnesota State Fair exhibits, (3) all the publications of the Industrial Arts Association, and (4) reports of the committee of twenty on the evaluation and improvement of instruction for industrial arts in Minnesota.

Each of the teachers colleges will send one representative, and high schools in the State will send delegates. The total number present will be approximately 40.

IT'S FOR REAL!

by Chester Field

IF I HAD A MILLION!

"Life," he cried, "is so unfair
I should have been a millionaire!
I'd drive a car, a white Jaguar
with leopard trim and built-in bar,
Complete with blondes and red heads too,
A movie queen or two would do . . .
I'm lazy, crazy, debonnaire
I'd make a perfect millionaire!"

"Instead," he sobbed, "at twenty-five
I'll have to work to stay alive!"

MORAL: If you are \$999,999.00 short of being a millionaire, but you like your pleasure big, Enjoy the big full flavor, the big satisfaction of a Chesterfield. Packed more smoothly by **Accu-Ray**, it's the smoothest tasting smoke today!

So, try 'em. Smoke for real . . . smoke Chesterfield!
