# Dr. Ley to speak on "Conquest of Space"

Dr. Willy Ley, pioneer authority on rockets and space travel, will speak on the "Conquest of Space" at a convocation set for 10:00 a.m. next Wednesday in Weld Auditorium.

The Berlin-born scientist, with a solid background of thirty years in research, is considered by many to be the country's foremost writer in the field of space exploration.

He is equally renowned as an eloquent speaker capable of making the most abstruse theories understandable to the layman. It has been said of Willy Ley that "although he has his head in the stratosphere, his feet are very much on the ground."

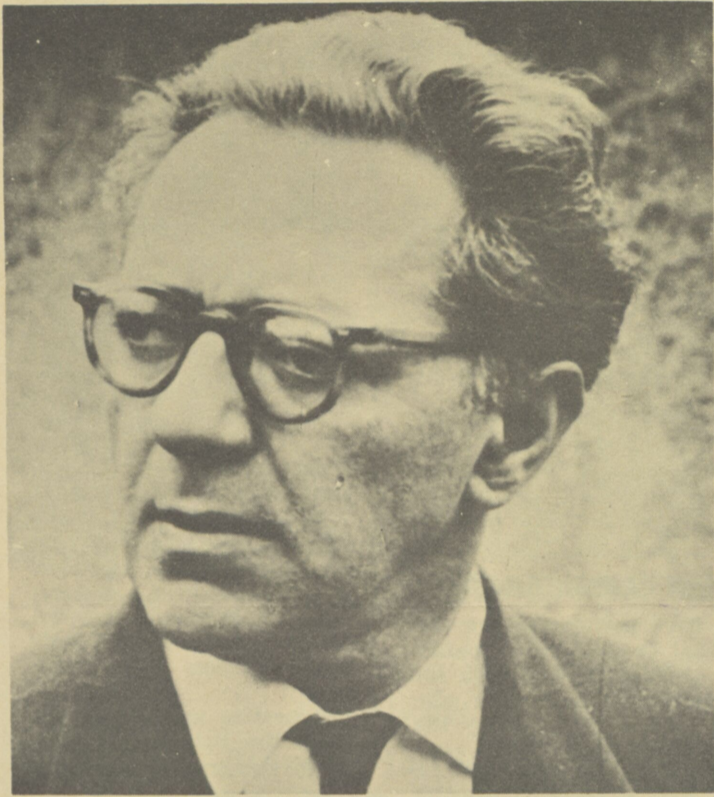

Next Wednesday Dr. Ley will probably probe the scientific and military implications of man-made satellites, describing

the space-stations of tomorrow and the human factor in space flight. He may also discuss the medical and legal aspects of space exploration.

Among his books are *Rockets, Missiles and Space Travel*, which has gone through sixteen printings, and *The Exploration of Mars*, written with Dr. Werner van Braun.

In the vanguard of scientific experimentation since he became one of the founders of the Society for Space Travel (now the German Rocket Society) in 1927, Willy Ley is a fellow of both the American Rocket Society and the Institute of Aeronautical Sciences.

An American citizen since 1944, Dr. Ley was awarded an honorary doctor's degree by Adelphi College in 1959.

Dr. Willy Ley

MSC's 75th Anniversary Year (1887-1962)

Year 39 - Issue 18 - Moorhead State College, Moorhead, Minnesota - February 22, 1963

## Boys Choir appears Tuesday

The world-famous Vienna Boys Choir will be heard at Moorhead State College next Tuesday in the fourth of a series of Fine Arts programs scheduled at the College during the 75th Anniversary year.

Student tickets for the Vienna Choir boys go on sale today and next Monday from 10 a.m. - 2 p.m.

The price of the tickets are 15 cents each.

Each student must present only one activity card and may not obtain tickets for anyone else.

Married students are entitled to two tickets per activity card.

The concert is scheduled at 8:15 p.m. in Weld Hall Auditorium. Tickets at \$3, \$2, and \$1 may be secured at Daveau's in Moorhead or Fargo or at the MSC Box Office.

Ranging in ages from 8-14, the 22 boys who made up the choir are part of a tradition which goes back to the 15th

century. The choir was founded by Imperial Decree of the Emperor Maximilian in 1498.

The choir has gained wide musical ability as well as high recognition for outstanding academic standards imposed by the historical seminary school

which they attend. Franz Schubert and Franz Joseph Haydn were among former members.

The boys have been featured on Cinerama and on television with Perry Como as well as in Walt Disney's feature length film, *Almost Angels*.

Judy Lindell, Jeanne Henning, and Diane Monear

## Sig Tau Sweetheart finalists named

Judy Lindell, Jeanne Henning, and Dianne Monear are finalists for the 1963 Sweetheart of Beta Rho chapter of Sigma Tau Gamma fraternity.

Judy Lindell is a junior from Crookston majoring in elementary education. Jeanne Henning, junior from Moorhead, majors in psychology and minors in German and mathematics; and Diane Monear, junior from Far-

go, N. D., majors in elementary education and minors in French. All three candidates are members of Psi Delta Kappa Sorority.

The honored Miss will be crowned by the reigning Sweetheart, Ruby Matthies, Crookston, at the Fraternity's White Rose Ball, a dinner dance at the Holiday Inn Motel in Moorhead on Sat., March 2.

## Placement Office announces week's interview schedule

The Placement Office has announced four placement interviews which are scheduled for next week.

On Tuesday, Mr. Samuel Simpson of Rialto, Calif. will be here.

Also scheduled Tuesday are Mr. W.R. Shamp, Federated Mutual Insurance Company, Owatonna, non-teachnig, and Mr. Richard Barnhart of Grand Forks, N.D.

Mr. James Pappas of Fridley will be here on Thursday.

Interested students are asked to contact the Placement Office for vacancies and appointments.

## Pom Pom girls appear tonight

Pom Pom Girls came into existence some weeks ago when eleven co-eds were chosen by the cheerleaders. This group was to provide color and spirit to Dragon games.

MSC's Pom Pom girls

Costumes were ordered with a red jumper and flared skirt. The girls made red and white pom poms for use in routines. Practices were held twice a week in order to make the routines perfect for their first appearance at the Michigan Tech-Moorhead State game tonight.

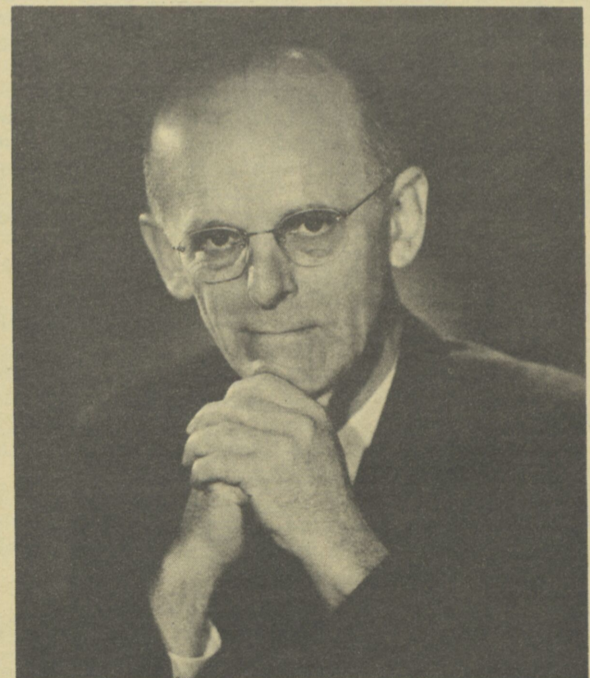

The girls in the group, pictured here, are (front row, l. to r.) Lona Hess, Gloria West, Sue Foslien, Kathy Enders, and (back row, l. to r.) Margie Eckenberg, Jean Schiller, Delores Score, and Jan Hemquist.

## Circle K Club to sponsor dance

The Circle K Club of MSC will sponsor a dance tonight in Dahl Hall South Rec Room following the Michigan Tech-Moorhead State basketball game. Admission will be 25 cents per couple and 15 cents per individual. The proceeds will be used to help sponsor a student in the summer International Work Exchange Program.

## Paulson wins award

Michael D. Paulson is announced to be the winner of a Mathematics Achievement Award presented by the Chemical Rubber Company of Cleveland, Ohio. The annual award is made to the student with the most outstanding record in his first year of mathematics courses. Michael started his college work with Analytic Geometry and Calculus I.

Dr. O. Hobart Mowrer

## Noted psychologist to lecture February 28

Dr. O. Hobart Mowrer, professor of psychology at the University of Illinois and a past president of the American Psychological Association, will lecture at Moorhead State College Thursday evening, February 28, it was announced earlier this week.

The lecture, open to the public without charge, is scheduled for 8 p.m. in Hagen Hall Auditorium. He will speak on "The 'New' Psychological Liberty". He is the author of numerous

books and has written extensively in the fields of learning and clinical psychology. Some of his recent lectures and articles on the failure of religion and psychiatry to deal effectively with mental and emotional disturbances were published in the book, *Crisis in Psychiatry and Religion*, which has reached a wide audience.

Dr. Mowrer will lecture at noon and at 4 p.m. at North Dakota State University.

## Nigeria to be topic of next IRC meeting

Three NDSU students from Nigeria will speak on their country next Wed., Feb. 27 at an International Relations Club meeting.

Olu Osiname, majoring in soil science, Sam Ajunwon, soil science, and Wole Ayotade, soil chemistry, will take the stu-

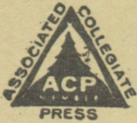

dents' viewpoint of Nigeria in a panel discussion. This will be followed by a question and answer period.

The meeting is set for 7:30 p.m. at the Library Lecture Room.

All interested persons are invited to come.

## Open letter to Council on Administration

To The Council on Administration:

I am seeking your advice and consent in settling up the "Livingston Lord Memorial Fund". Following is a brief history and my recommendations. On December 16, 1949, I deposited in a savings account in the First National Bank of Moorhead a sum of \$81.00. The money was turned over to me (as Alumni Secretary) by Miss Jessie Comstock and Mrs. Fetvedt, of Fergus Falls. As former students of President Livingston Lord, they and their friends had raised this sum which they hoped to build up. They wanted the money to be used for the purchase of books for the library. At that time they were concerned that the Lord name should be perpetuated at the college.

Although I remembered this fund and inquired about it several times, I could find out nothing about it and assumed that the money had been suspended. Apparently, however, the deposit book had been lost in the subsequent transfer of the alumni records from person to person. Last month the bank asked Mr. Zuehlsdorff that this fund be disposed of in some way so they could clear their records. The bank gave me a draft for \$106.39, which means that the original sum has accumulated interest totaling a little more than \$25.00. I turned the check over to Dr. Joseph Miller. He placed it with similar smaller funds and said that there now was a total of \$139.89 earmarked in various ways as Lord Memorial Book Funds.

This is my proposal for the handling of this fund. The chairman of the departments of English, history, and the natural sciences shall constitute a committee to administer this fund. At least once each year, during the month of February, they shall publicize this fund and call it to the attention of faculty, students, alumni, and friends of the College. They shall call for donations to build up this fund and ask for suggestions as to how the money is to be expended; that is, what books should be bought out of this fund.

The same amount of money in the fund at present will not buy very many books, and unless the fund can be very considerably increased the money must be spent very carefully. There certainly are books which our College library should have that it might not occur to any particular department to order, and books may be suggested that have been overlooked. The "Livingston Lord Memorial Fund" should then be a fund, and by its very existence should continue to remind everyone connected with the College of the overriding need to build up our library holdings.

Clarence A. Glasrud

## New SC constitution to be voted on Feb. 27

The revision of the present Student Commission constitution headed the agenda of the Student Commission meeting Monday evening, February 18.

Because of the weakness of the present Commission constitution, the commissioners felt it would be necessary to postpone the upcoming elections to make way for the revision activities.

The new constitution could then become effective when the new commission takes office.

The Commission consequently moved that the issue be brought before the student body in the form of a referendum for approval.

Voting will be held in MacLean Hall on February 27, from 10:00 a.m. to 4 p.m.

The proposed referendum states that election for the 1963

64 Student Commission offices will take place during the third and fourth weeks in April. The Commission would then be installed at the first regularly scheduled meeting after the election.

Heading the agenda for the next meeting will be the beginning of the revision of the old constitution.

## Las Vegas night set Wednesday

Iota Alpha, industrial arts fraternity, will hold its annual all-college social event, "Las Vegas Night," at Kise Commons Wed., Feb. 27, from 8-11 p.m.

Admission will be ten cents per single and fifteen cents for couples.

P.O. Box 47

## Student praises band; raps student attendance

Last Monday night I had the honor of attending a concert given by the Moorhead State College Band. I do not presume to be a music critic, but certainly every student should feel pride in the knowledge that they have one of the finest musical organizations to be found in the state of Minnesota.

I arrived late at this concert hoping to find enough space for standing room and instead found that the Student Body were conspicuous by their absence. Possibly the appearance of these hand-working musicians under the guidance of Mr. Nix at all-college athletic functions as well as parades,

theatrical productions, etc., have become so common place that their workmanship is taken for granted.

The appearance of this unpaid outstanding musical organization at the internationally-rated Manitoba Musical Festival this spring will bring pride and prestige back with it. Surely, none of us would like to admit that we have to send this band to another country in order for it to receive the credit and acclaim it deserves.

As a member of the Moorhead State College student body I am proud to be associated through relationship with Mr. Nix and his endeavors, but certainly a feeling of emptiness is left with me when reflecting on the attitude and complacency of my fellow classmates.

Possibly the price of admission should be lowered and Weld Hall made use of to afford equal opportunity for all.

A. G. Musker

## Dr. Anant expresses appreciation of movie producer Stanley Kramer

To the editors:

Through the columns of your newspaper I want to express my appreciation for a great man of our times. I am referring to Mr. Stanley Kramer, the movie producer. Almost all the movies produced by Mr. Kramer deal, and very accurately so, with social problems. In fact, they are great contributions toward making this world a place worth living in.

His *Inherit the Wind* dealt with dogmatism and its dangers, and *On the Beach* with the horrors of the consequences of a nuclear war.

Now he has made another great contribution by producing *A Child is Waiting*. Through this movie he has tried to focus our attention on the problem of mental retardation. Not only does this movie show the working of an institution for mental retardation, but it also brings to light the attitude of society toward this problem as well as how the parents, through their lack of understanding, aggravate the situation.

I feel that Mr. Kramer deserves commendation for his work from the society and the federal and state governments.

Some of these movies will do more for America if they are sent abroad than all the political delegations and representatives can do. It has been found that more people are exposed to our movies than to the propaganda of U.S.I.S. throughout the world.

If an attempt is made to export realistic and accurate movies in preference to westerns, crime thrillers, or Hitchcock mysteries, it will go a long way in improving understanding between nations and removing walls which divide us today. All movies fit this criterion.

I only wish that millions of dollars which are spent to produce movies like *The Mutiny on the Bounty*, *Barabba*, etc. can be diverted toward the production of movies such as *On the Beach* and *A Child is Waiting*.

Dr. Santokh S. Anant

## MSC given teacher education commendation

The faculty and administration of Moorhead State College

have been commended by the National Council for Accreditation of Teacher Education for the quality of the teacher education program offered by the College.

## Oral Polio clinic set Wednesday

Sabin oral polio vaccine will be given at a clinic here February 27 from 3-6 p.m. in the gym in Flora Frick Hall.

All MSC student, faculty and staff members and their families are urged to get their immunization at this clinic.

The vaccine is given on a sugar lump and the charge is 25 cents per person.

Students under 21 are required to get a consent form signed by their parents or guardians. These forms are available in the post office area or at the health service.

Type I vaccine will be given at this clinic. Types II and III will be available at later clinics.

W. Earl Armstrong, director of the National Council, Washington, D. C., has written to Dr. John J. Neumaier, president of MSC, congratulating officials of the College for "the progress that is being made in the improvement of standards of admission to teacher education"

Dr. Wilbur A. Williams is academic dean at Moorhead State College, and Dr. Glayden D. Robbins is dean of education and chairman of the department of education.

## Ten initiated into Gamma Nu Sorority

Ten girls were formally initiated into the Gamma Nu Sorority last Sunday. They are Mary Danielson of East Grand Forks, Rita Engelking, Fargo, N.D.; Susan Foslien, Alexandria; Linda Heidman, Breckenridge; Susan Jansen, Hallock; Carol Johnson, Kensington; Diane Krumweide, Wheaton; Sharon Renfrew, Halstad; Virginia Shimota, Gary; and Nancy Walton, Moorhead.

Rita Engelking served as president of the pledge class.

Election of officers followed the initiation ceremony. Dorothy Donley was chosen president, Sharon Melby, vice-president; Winnie Larson, secretary; and Lynn Johnson, treasurer. These people will assume their respective offices spring quarter.

The meeting was held at the home of Mrs. Ralph Lee, the advisor of the group.

# Ruby Matthies, 1962 Homecoming Queen, having "wonderful" year

by Toni Miksche

A familiar figure around campus is Ruby Matthies, a junior from Crookston. Ruby is majoring in English and biology. As a member of the Psi Delta Kappa Sorority, Ruby has brought many honors to the sorority and to herself. In the fall of 1962 Ruby was selected as our Homecoming Queen. Commenting on this honor she said: "For me or for almost any girl this is almost a dream. I'll always consider it the highest honor that's been given to me."

Last year Ruby was chosen as the Sweetheart of the Sigma Tau Gamma Fraternity. When this honor was bestowed on her Ruby said she was very surprised. She said it was a very wonderful feeling to be treated

as one special girl and even more wonderful to be remembered through the year as the Sig Taus have done.

Ruby said that the greatest challenge she has met with since coming to Moorhead State College was the theatre. She said she went over to tryouts with the idea of obtaining a dancing part. She was very surprised at being cast in the female lead role of *Bye Bye Birdie*. Ruby said: "I don't think a person realizes how much work goes on behind the scenes and how much cooperation is needed to produce a show until you are actually a part of it. It's fascinating to watch a show from the beginning to the end, but then before you realize it the show is over—all too soon."

Added to her list of activities,

Ruby is preparing for the district contest of Miss Minnesota. She qualified for this position by being chosen Miss Crookston last summer. She said that being chosen Miss Crookston was different from being chosen Homecoming Queen or Sig Tau Sweetheart. In the Miss Crookston contest a girl has to work for the honor by herself. The Homecoming Queen title was given her through friendships and she felt it was an honor to be chosen Sweetheart of her brother fraternity.

As a varsity cheerleader, Ruby has worked very hard to promote the school spirit of MSC. Since the Sports Convocation was held in January, the cheerleaders and the faculty members have watched spirit grow among the students. They all are amazed at the outcome of their efforts. Ruby feels that the Pom-Pom girls will provide the color we have been lacking.

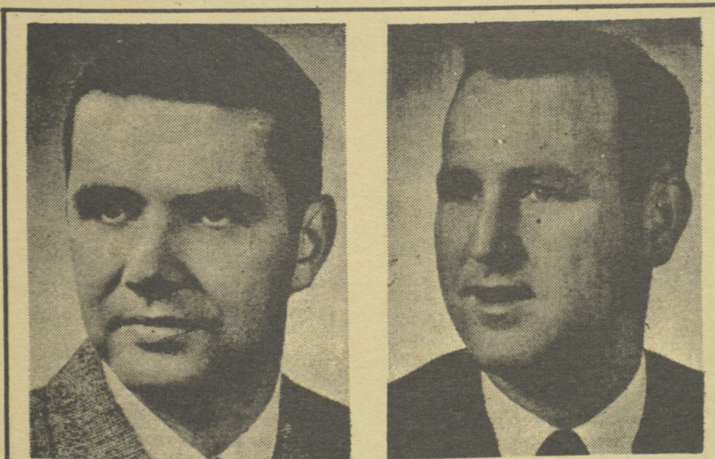

In spite of all her activities Ruby has proved to be an excellent student. She is certainly a credit to her college!

Ruby Matthies

## MSC Art Club to hold art sale and raffle

The MSC Art Club will have an art sale March 4-8 in the corridor outside the bookstore in MacLean Hall.

Included in the sale will be a raffle and the winner will have his or her portrait painted in oil by Dr. Nels Johnson, head of the art department. Anyone is eligible except children eight years old and under.

Tickets are now being sold by Art Club members for 50 cents each. Students who don't know members may come to the art department on the third floor of MacLean Hall and purchase their tickets.

The art objects to be sold will be original works by members of the Art Club.

## New parking orders in effect

The Moorhead City Council, at the request of MSC, Tuesday night ordered no parking on 14th Street South between 6th and 9th Avenues.

Students, however, will be allowed to stop in front of dormitories in the area for loading and unloading purposes only.

The college also requested a four-way stop at 14th Street and 6th Avenue, but this was rejected by the council.

Present for the College was Dr. John Jenkins director of special services at MSC.

Alderman Orrin Bjornstad told Jenks, "We've been at-

tempting to get your students to use your parking lots, but there seems to be no way. The streets and avenues are loaded with student cars."

Alderman Don Birmingham said that Chief of Police L. H. Bielfeldt was opposed to a 4-way stop because it would cause traffic congestion.

## Agriculture conference continues today

Minnesota's Third Annual Industrial Education Conference sponsored by the Minnesota Academy of Science and supported by the National Science Foundation and Minnesota Industry is meeting at Moorhead State College today.

Speakers and panelists include Dean Harold Macy, University of Minnesota; Dr. B. W. Schweigert, Michigan State University; Dr. J. W. Haun, General Mills, Inc.; Roger A. Langenliam, Kansas City, Kansas; Dean Keith N. McFarland, University of Minnesota; Dr. J. C. Konen, Archer-Daniels Midland Co.; and Dr. O. B. Jesness, University of Minnesota. A noon luncheon will be held at Moorhead State's Kise Commons.

The conference will explore better industrial use of Minnesota's agricultural and forest products, and analyze effects of new industry-agriculture developments on the state's higher education and science programs.

Dr. Fred Smith, professor of biochemistry, University of Minnesota, St. Paul, will speak at a 6:30 banquet this evening at Holiday Inn.

Dean Bryce Crawford, Jr., dean of the graduate school, University of Minnesota, will summarize the conference at sessions tomorrow morning.

## Sig Tau's sell book covers

It isn't too late to buy a plastic-coated bookcover bearing the Dragon emblem. Members of Sigma Tau Gamma Fraternity will be selling them from 9:00 a.m.-5:00 p.m. each Wednesday on first floor MacLean near the Bookstore entrance.

## Enrollment in off-campus courses doubles

Enrollments and courses offered off-campus during the current winter quarter are more than double those in the winter quarter of 1961-62, according to Dr. J. W. Miller, director of field services.

Of special value to teachers in service who wish to earn college credit by attending part-time during the teaching year, these courses are made available by the College according to the demand expressed for them. They offer non-resident credit which can be applied in a degree program. Off-campus classes are open to regular on-campus students and are frequently useful because of schedule conflicts.

Scheduled by the Office of Field Services, the classes are taught by regular members of the MSC faculty whenever possible. When a class is needed but the instructor's on-campus schedule keeps him too busy, the College employs a "guest instructor," an individual who would be qualified to teach the same course on the campus. Professors from Concordia and NDSU have been employed in the past, and many classes have been taught by school superintendents, principals, and high school teachers.

During last year's winter quarter, five classes were offered with a total of 118 students taking the 16 quarter hours of credit offered. This year there are 12 classes in progress, in seven communities: Ada, Breckenridge, Browns Valley, Detroit Lakes, Graceville, Pelican Rapids, and Wheaton. Offering a total of 39 credits, they have 241 students enrolled.

Dr. Miller reports that so far 24 classes are scheduled for the spring quarter, which opens the week of March 18-22. Communities in which the classes will be taught include Appleton, Breckenridge, Crookston, Detroit Lakes, Fergus Falls, Graceville, Kennedy, Morris, New York Mills, Perham, and Wheaton. The complete spring quarter schedule is to be available about March 1. Anyone wishing further information about off-campus classes should inquire at the Office of Field Service, M210.

## ACT exam set

American College Testing Program examinations for area high school students will be administered tomorrow from 7:45 a.m.-12 noon at Moorhead State College.

These entrance examinations will be given only to those students who previously have registered with the ACT Central Registration Unit.

The examining center will be in Dahl Hall, North Recreation Room, 14th Street South, on the Moorhead State College campus.

## Opera aired Sunday

KMSC Radio, 650 kc, will broadcast Mozart's *Così Fan Tutte* (sung in English) beginning at 1 p.m. on Sunday.

Richard Tucker, Eleanor Steber, and Blanche Thebom will be featured.

Part Two of a Discography on the Operatic Tenor will also be given.

It should be noted that KMSC is operating a much improved signal, thus affording greater sound than in the past.

A different opera program will be presented on KMSC every Sunday from 1-5 p.m. through May 12.

# League-leading Michigan Tech here tonight

## Dragon Along

by Larry Larson  
(Mistic Sports Editor)

Wayne Erickson, a senior from Starbuck, will play in his last college basketball game tonight. The 5'11" guard is the lone senior on the squad. Wayne and his teammates wind up the 1962-63 cage campaign against Michigan Tech at Nemzek Fieldhouse tonight at 7:30.

Head Baseball Coach Ken Grabinske has announced that all interested baseball players should report to Nemzek Hall at 4:00 p.m. next Monday. The diamond head mentor also stated that pitchers and catchers would begin workouts next Tues., Feb. 26.

Peter Lysaker, a sophomore from Detroit Lakes and a starting forward on the Dragon basketball machine, made 15 of 22 field goals in Tuesday night's game against Northern Teachers of Aberdeen, S. D. This fabulous shooting percentage fell short by only two goals of the school record when Sherman Moe hit 17 of 27 attempts against Mayville STC during the 1957-58 season.

Don Anderson, chairman of the physical education, health, and recreation department, has announced that Nemzek Hall will be open to the general student use tomorrow, February 23 from 1:30-4:00 p.m.

Members of the department staff are taking their own time in hopes of promoting this into a weekly program. A reminder that the College assumes no responsibility and it will be up to student cooperation if this program is to continue.

St. Cloud State, the runner-up team in NSCC basketball, is headed for a District 13 NAIA playoff game at Hamline University March 7. Michigan Tech, the top team in the loop is not a NAIA member, and appears in line for a NCAA small college regional tourney berth. Likely opponent for St. Cloud is Augsburg, the top team in the MIAC.

Coach Ken Grabinske's freshman basketball team finished the cage season with an 8-5 seasonal mark. Allan Berglund, a rookie from Bloomington, scored 20 points in five different outings and captured the individual scoring crown by scoring 203 points.

Jack Harrison of St. Cloud State College continues to lead the Northern State College Conference basketball scoring race. Harrison has made 71 field goals and 23 free throws in nine loop games for 165 points. Dragon Don Wermager ranks seventh in the race with 141 counters.

The Moorhead State wrestlers will be at Superior State of Wisconsin tonight and on Wednesday next week they'll play host to the Huskies of St. Cloud. Both of these teams will provide competition as keen as the wrestlers have met this year.

Superior has beaten Winona State and they lost by a scant three points at St. Cloud.

St. Cloud, which tied Mankato earlier this year, will be the Dragon foe at 7:30 on Wednesday evening, Feb. 27.

## Wrestlers overwhelm Michigan Tech 30-10

MSC wrestling fans had much to cheer about last Friday evening as the Dragons overwhelmed the Indians from Michigan Tech, 30-10.

Bucky Maughan and Raphael Gonschorowski were the five-point winners for the host team, which lost only one match legitimately. The other match (191) was won by forfeit.

Ricky Kelvington decided Wallis Hines of Tech, 10-0, in the 115 pound class.

Bucky continued in his pinning ways by beating Ralph Bonde in 4:49.

At 130 pounds, Bank's Swan

decided Bob Breen, 14-1.

Raphael Gonschorowski won by fall at 137 in 7:25.

Buddy Starks of MSC decided Rich Seidler, 7-4, in the 147 pound class.

At 157, Don Pate won by default.

Frank Mosier decided Leroy Drury in the 167 pound match, 6-2.

Bo Henry won at 177 pounds by decisioning Dick Bocs of Tech, 8-1.

Roger Hettinga of Michigan Tech pinned Joe Jovonovich at 7:39 in the heavyweight division.

jumped into a 4-2 lead and were never headed.

Four Royal cagers finished with double figures. Jerry Moulton, a Howard Lake freshman, and Don Moore, a 6'9" center, led the winners with 16 apiece.

Don Wermager paced the Dragons with 16 followed by Jimmy Jahr's 14.

The win gave Bethel a 4-13 record with the loss giving MSC a 7-15 mark.

## Cagers high for finale

by Larry Larson

A tall Michigan Tech basketball team invades Nemzek Fieldhouse for the final game of the 1962-63 basketball season for the Moorhead State College Dragons.

Coach Verdie Cox's Huskies are tops in the Northern State College Conference with a 7-1 loop record. They finish their conference season at Bemidji tomorrow night.

Tech's league leaders need

this one tonight if they hope to at least share a part of the conference championship with St. Cloud State. St. Cloud ranks 7-2 and plays cellar-dwelling Winona tomorrow night at Winona.

Meanwhile, Coach Lary MacLeod's Dragons will attempt to finish the season with an 8-16 mark and a 3-7 record in the conference.

MacLeod will likely call on Larry Graham and Pete Lysaker to start at the forwards, Wally Halbakken at center, and Don Wermager will probably play with Wayne Erickson at the guards.

The game tonight marks the

last appearance for Wayne Erickson, the lone senior on the squad.

Tech Coach Cox has indicated that he will start this way: Forwards: Captain Bruce Knivila-6'2" and Bob Lurtsema-6'6". At center: Doug Scheuneman-6'6" and at the guards: Bill Massey-6'0" and Sandy Johnson-6'0".

The Huskie pivot ace Scheuneman ranks fourth in scoring in the league with 148 points in eight games and still could win the league scoring crown as he trails the leader Jack Harrison of St. Cloud by only 19 points.

Game time is 7:30 p.m. Parkers Prairie and Hendrum will play the 5:45 preliminary game.

## Wolves edge Dragons in great shooting game

by Larry Larson

Aberdeen, So. Dak., Northern Teachers College of Aberdeen, S. D., scored a 94-89 victory over MSC's Dragons in a non-conference basketball game here.

The victory gave the Wolves a 15-4 record and dropped the Dragons to 7-16 on the season.

Northern Teachers never trailed in the game as they took an early 16-5 lead with 16:48 remaining and then romped to a 53-40 half-time lead.

Coach Larry MacLeod's Dragons fought back from the 13 point half-time deficit and closed the gap to 90-87 on Jerry Hegna's long setter.

But then with :32 remaining, the Dragons were forced to foul

the Wolves and this about wrapped things up.

Peter Lysaker, a sophomore from Detroit Lakes, had a great night in scoring 32 points to top individual scoring honors. Don Wermager added 21 to aid the Dragon cause.

Two dandies in Jimmy Kampen and Gary Nygaard gave the Wolves 60 points. Kampen, South Dakota's athlete of the year, scored 31 and Nygaard was right on his heels with 29.

MSC made 41 of 80 shots for 51 per cent and Northern Teachers sank 35 of 65 for a fabulous 55 per cent. The Wolves made 24 of 29 from the free throw line while MSC shot only 11 while making seven.

## Forfeits give MSC hockey team 4-3 season record

The Moorhead State College hockey team at one time had an 0-5 record. Things have changed and now their present season mark stands at 4-3.

It all started when St. Cloud State had to forfeit their two victories. The Huskies had used ineligible players and the ruling cost them their losses. This made the Dragon mark 2-3.

Then with two straight victories over Concordia and North Dakota State University the pucksters passed the .500 mark and as this paper went to press the club stood at 4-3.

Coach Neal Johnson's icemen won their contest over NDSU 8-3. The victory was paced by Co-Captains Keith Brandt and Richard Parson's pair of goals. Jack Lynch, Bruce Bausman,

"Skip" Adams, and Roger Bernstrom added solo goals.

The Dragons held period stops at 2-1, 5-2, and then 8-3. Last night found the team playing Concordia.

## Owls remain undefeated

The Owl Fraternity still remains undefeated with a 7-0 record in League A after completion of action for the week ending February 15.

Sigma Tau Gamma is in the runner-up spot with a 6-1 mark followed by the Outlaws who boast a 6-2 record.

The Gunners of League B is the top club in their class with a 7-1 record. The Owl "B's" hold down the runner-up spot with the Bombers with 6-1 marks.

League C is up for grabs as far as the championship honors is concerned. The Angels have a 6-1 record and are on top but the Dunks, Beavers, Aristocrats and Owls "C" are all tied for the second spot with 5-2 records.

Tournaments in their respective classes begin next Mon., Feb. 25.
