### RESPONSE—

Dear Lord and Father of mankind,  
Forgive our feverish ways;  
Reclothe us in our rightful mind;  
In purer lives Thy service find,  
In deeper rev'rence, praise.

### MEDITATIVE READING—

To you school men and school women is entrusted the major part in handing on the traditions of our republic and its ideals. Our greatest national ideal is democracy. It is your function to keep democracy possible by training its children to its ways and its meanings. We have seen many attempts in late years to set up the forces of democratic government but many of them are but forms, for without a literate citizenry taught to form sound public opinion there is no real democracy. The spirit of democracy can survive only through universal education.

—Herbert Hoover.

## ALMA MATER

### I.

Where flows the river through prairies to the frozen  
North  
Builded our fathers a school to stand through years  
to be,  
That from her portals her sons and daughters might  
go forth  
Throughout the nation till the truth be spread that  
sets men free.

### CHORUS:

Hail, hail, to our college,  
To the Moorhead Teachers College.  
Hearts filled with knowledge  
Of her strength and her faith for all.  
Hail, hail, Alma Mater,  
Answering ever to her country's call.  
Pledge we heart and mind and soul to her we love—  
Our Alma Mater.

### II.

School whose bright hours have entered our remem-  
bering heart,  
Through you our vision we take from those who went  
before,  
And know in gladness, when time shall come to make  
us part,  
That thy great spirit marches on with us forever-  
more.
