NINETY-EIGHTH

Commencement Program

August 20, 1982
8:00 p.m.

Center for the Arts Auditorium
Moorhead State University
Moorhead, Minnesota

America the Beautiful

O beautiful for spacious skies, for amber waves of grain,
For purple mountain majesties above the fruited plain.
America! America! God shed His grace on thee,
And crown thy good with brotherhood from sea to shining sea.

O beautiful for heroes proved in liberating strife,
Who more than self their country loved, and mercy more than life.
America! America! May God thy gold refine,
Till all success be nobleness, and every gain divine.

O beautiful for patriot dream that sees beyond the years
Thine alabaster cities gleam, undimmed by human tears.
America! America! God shed His grace on thee,
And crown thy good with brotherhood from sea to shining sea.

Move On

They say a restless body
can hide a peaceful soul.
A voyager and a settler,
they both have a distant goal.
If I explore the heavens,
or if I search inside—
it really doesn't matter
as long as I
can tell myself
I've always tried.

Academic Attire

The caps and gowns worn at formal academic events in American colleges are the direct descendants of the everyday costumes worn in the universities of Medieval England when each school had its peculiar dress so that an Oxford student could be distinguished from a Cambridge student, or a divinity student from a layman. Because of the tremendous growth of American colleges, and the confusion that would result if each were to adopt a distinctive costume, the Intercollegiate Bureau of Academic Costume was organized. The Bureau has established a uniform code which over 700 institutions have adopted. Harvard, practically alone, still clings to its own traditional costumes.

There are three types of gowns and three types of hoods for bachelors, masters, and doctors. The bachelor's gown has a long pointed sleeve whereas the master's gown has a long closed sleeve, square at the end. The doctor's gown is characterized by a voluminous bell-shaped sleeve with three velvet bars. The colors of the bars are usually the colors of the faculty which granted the degree, but may be black.

The hoods for all degrees are lined with silk in the official academic color or colors of the institution conferring the degree and have an edging or trim of velvet, the color of which indicates the academic discipline or faculty to which the degree pertains. The lining is exposed when the hood is worn. The bachelor's hood is not worn by candidates for the baccalaureate degree but only by those upon whom this degree has been previously conferred. The master's hood is considerably longer, has a wider velvet edging, and exposes more of the lining. The doctor's hood has wide panels at the side and is easily recognized since, of the three types of hoods, it has the widest velvet edging, greatest length, and fullest exposure of the lining.

The black mortarboard cap with tassel is worn with each type of gown. Those holding a doctor's degree are privileged to wear a gold tassel. Masters and bachelors wear tassels that are either black or of the color appropriate to the course in which they are being graduated.

Some of the colors which may be observed at this commencement and which symbolize various courses or faculties are as follows:

Arts and Letters — White
Business Administration — Brown
Education — Light Blue
Humanities — Scarlet

Music — Pink
Philosophy — Blue
Science — Golden Yellow
Social Work — Citron

Academic Honors

Students who complete at least 96 credits at Moorhead State University as candidates for baccalaureate degrees may graduate with the following honors:

CUM LAUDE — representing a cumulative grade point average of 3.25 or better

MAGNA CUM LAUDE — representing a cumulative grade point average of 3.50 or better

SUMMA CUM LAUDE — representing a cumulative grade point average of 3.75 or better

Such honors are computed only from the cumulative grade point average earned at Moorhead State University.
